breeds, and it has been known for dogs to become distressed and move soft crates along the floor and also escape. Soft crates should only be used when there is sufficient room available and when they can be safely secured.

24. Each exhibitor is responsible for providing their own crate or cage identification detailing that exhibit number, this should be displayed at all times. The original exhibit number as provided by the Show Society must not be used for this purpose.

Advisory Notes - Additional Rules and Regulations

- I. Should any judge be prevented from fulfilling their engagement, the Committee reserves to themselves the right of appointing other judges to fulfil their duties. Exhibitors are at liberty to withdraw from competition, but no entry fees can be refunded.
- II. Any owner, competitor, or other person in charge of a dog is required to remove as soon as possible any fouling caused by their dog(s) at any Kennel Club licensed venue and within the environs of that event including car and caravan parks and approaches. Adequate receptacles for the disposal of such fouling will be provided.
- III. The Committee will do its utmost to ensure the safety of the dogs brought for exhibition, but it must be clearly understood by exhibitors and all other persons at the Show that the Committee will not be responsible for the loss or damage to any dogs or property, or personal injury whether arising from accident or any other cause whatsoever.
- IV. An announcement prior to the date of closing of entries in Our Dogs of any alteration or addition made by the Committee to the schedule or in these Rules shall be sufficient notice thereof.
- V. All children must be kept under control and parents will be held responsible for any damage caused and charges incurred.
- VI. Please do not obstruct gangways with cages, pens, grooming tables, trolleys, and dogs. Storage space will be made available for trolleys/cages.
- VII. If in the opinion of the Show Secretary, Show Manager or Judge any dog is considered not in a fit state for exhibition owing to a disease, savage disposition, or any other cause, the dog may be excluded or removed from the show the dog must not be brought into the Show at any time under any circumstances. No animal other than an exhibit duly entered at the show will be allowed within the precincts of the show during its continuance.
- VIII. The owner, exhibitor, handler or other person in charge of a dog at a Kennel Club licensed event must at all times ensure that the dog is kept under proper control whilst at the licensed venue, including its environs, car and caravan parks and approaches. This regulation applies before (at any time during the set-up period at the venue), during the event and afterwards (at any time during the breakdown of the event)
- IX. A dog may be disqualified by the Board from any award, whether an objection has been lodged or not, if proved amongst other things to have been a) registered or recorded as having been bred by the scheduled judge, this shall not apply to a judge appointed in an emergency; b) exhibited without payment of the appropriate entry fees.
- X. Every exhibitor shall ensure that whilst the dog is being exhibited, its handler shall display the correct ring number.

Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices. Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Security at Shows

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows. The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

RULES AND REGULATIONS

1. The Show will open at 7.00am.
2. Dogs will be received at any time but it is the exhibitor's responsibility to ensure that exhibits are available for judging when required
3. Judging will commence upon completion of BGV (Grand) and BGV (Petit) judging at Border Union Championship Show.

Where the Best of Breed or Best in Show is a puppy it may, at the discretion of the judge, be awarded Best Puppy in Breed and Best Puppy in Show respectively. Where the Reserve Best of Breed or Reserve Best in Show is a puppy which has only been beaten by an adult dog it may, at the discretion of the judge, be Best Puppy in Breed and Best Puppy in Show respectively. Consequently, selection of Best Puppy in Breed and Best Puppy in Show must follow the selection of Best of Breed and Best in Show respectively. A Baby Puppy is a dog of four and less than six calendar months of age on the first day of the show. Baby Puppy classes may be scheduled at any breed club show. Reserve Best in Show must be selected from the remaining Best of Breed(s) and the dog/bitch declared by the breed judge to be Reserve Best of Breed to the dog declared Best in Show.
12. 13. Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not touch the ground when on the move. This is not acceptable. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
18. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered
19. No modifications will be made to the schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine press wherever possible.
20. The Committee will not in any way, be responsible for any claim for injury or compensation or loss of property occasioned by or arising out of the holding of the show or by reason of act or default or any person in attendance or present thereat.
21. The Officers and Committee of the show can accept no responsibility for products advertised or sold by stand holders at the show and remind exhibitors that grooming products on sale may not meet the requirements of the Regulation for the preparation of Dogs for Exhibition.
22. Best in Show & Best Puppy in Show will be judged after the last class of the day.
23. Soft Crates: The Kennel Club has drawn attention to the potential health and safety implications concerning the use of soft crates at shows as in its view, they do not offer sufficient protection to dogs. Soft crates left unattended at the ringside are a potential hazard particularly when occupied by large

ABOUT OUR JUDGE

I have a large interest in the Toy & Hound breeds, although I have a passion for dogs generally. I have made up 14 Champions in the UK across the Hound, Toy and Terrier groups; as well as 7 Irish Champions and have bred CC winners in four breeds; Cavaliers, King Charles, Papillons and Dachshunds.

In 2022, we had the great excitement of breeding two Ch Show All Breed BPIS winners. We have won Ch Show Groups in Toys and Terriers, as well as several Top Stud, Top Brood, Top Puppy and Top Dog awards in these breeds and in 2021 we had Joint Top Puppy All Breeds.

I have bred / owned two Crufts BOB winners. I am currently secretary of Luton Canine Association and sit as a committee member on both UK Toy Dog Society and The Kennel Club Judges Sub-Committee. I am approved to award CCs to 5 breeds in the Hound and Toy Groups.

 - a) A dog found to have been exhibited in breach of these Regulations will automatically be disqualified from exhibition at the show and from any award gained thereat.

2.

 - b) Any other substance (other than water) which may be used in the preparation of a dog for exhibition must not be allowed to remain in the coat or on any other part of the dog at the time of exhibition.
3. No act or operation which alters the natural conformation of a dog or any part thereof may be performed except:
 - (a) Operations certified to the satisfaction of the Board.
 - (b) The removal of dew claws of any breed.
 - (c) Operations to prevent breeding provided that such operations are notified to the Kennel Club before neutered dogs are shown.Nor must anything be done calculated in the opinion of the Board to deceive.

Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Kennel Club in their possession. Samples may be taken for further examination and analysis.

6. Any objection by an individual related to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the Show and the individual must produce evidence of identity at the time of lodging the complaint.

PLEASE NOTE: PHOTOGRAPHY & VIDEO RIGHTS

The BGV Club would like to bring the regulation on photography and filming to the attention of Exhibitors, Trade Stands, Press and Visitors. It is a condition of all those attending the event that no filming or other form of recording may be taken or made at the venue without express written permission of the organisers. The taking of photographs in the venue for sale or reward is strictly prohibited except with the written permission of the Organisers. Press accredited photographers are provided with permission to take photographs ONLY for use in newspapers, magazines and internet sites - this is for news purposes only.

There is no objection to the general public taking photographs or video film of general views of the Show, provided that these are for private use only. Specific dogs may be photographed only with the approval of the exhibitor.

No photography or filming is permitted in breed judging rings whilst judging is actually taking place. However, judges may allow it to happen at the end of classes or after the challenge has taken place. Filming and flash photography is allowed from outside the rings at all times unless the operation of the camera is actually affecting exhibits. However, if a powerful flash unit is used or it is clear that exhibits are being affected, a ring steward or the judge is empowered to stop the person concerned. Cinematograph or Television equipment may only be used at the Show if a permit has been issued by the Organisers.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog
- When at the show, never leave your dog in the vehicle
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

**Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm
Please take care of your dog**

If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise.

Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations.

Right to Refuse Entries

Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.

Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices. Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Security at Shows

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows.
