ABOUT OUR JUDGE

Irene Tribbeck (Renebeck)

In the late seventies I was fortunate to meet and acquire my first French Bulldog puppy from a successful exhibitor Maureen Bootle of Tommyville fame.

So my life with Frenchies began. Joining the FBC committee and stewarding for a few years gave me the opportunity of meeting some fine dogs and owners.

I have bred some lovely puppies, a few were shown and became champions, One became a film star CH Tommyville Renebeck Dark Brogrand.

I have judged for over 40 years, still learning as breed standards change but healthy happy dogs will always be the goal.

HAVE YOU THOUGHT ABOUT JOINING A BREED CLUB?

The French Bulldog Club of England is the 'Parent Club' for the breed in the UK and was founded in 1902 by a small group of enthusiasts dedicated to the preservation, promotion, and well being of the breed, 120 years later those aims remain unchanged...

To adopt the KENNEL CLUB BREED STANDARD by which French Bulldogs shall be judged.

To urge the adoption of that STANDARD upon owners, breeders and exhibitors including the correct and acceptable coat colours for the breed.

To breed for health, longevity, and correct conformation, to encourage the participation in and organise activities amongst French Bulldog Owners and enthusiasts, including health testing opportunities, breed specific shows, educational seminars, social events and to encourage the involvement of young people in the breed.

To bring to the notice of the public the qualities of the French Bulldog, comical, clever, mischievous - the list of adjectives describing our beloved French Bulldogs is long and varied.

We hope that the actions of our Club can help all of those interested in this breed to be better informed.

- * Twice yearly club members magazine, keeping you up to date with the latest news
- * An invitation to the yearly party
- * Discounted entry fees to Club shows
- * Priority invites to Club events and seminars
- * Access to FBCE Facebook pages for our events

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm

Please take care of your dog

If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations.

The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.

Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices. Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Security at Shows

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows. The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert. Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

EXHIBITORS PLEASE NOTE:

In accordance with Kennel Club guidelines, exhibitors must display exhibit number/owner identification on their crate, cage or container at all times.

**NO CAGES/DOGS WILL BE ALLOWED AT THE IMMEDIATE RINGSIDE
A 'CAGE' AREA WILL BE PROVIDED**

**FOULING BY DOGS:
PLEASE DO NOT ALLOW YOUR DOG TO FOUL THE HALL OR
SURROUNDING AREAS**

**EXHIBITORS ARE REMINDED THAT IT IS THEIR OWN RESPONSIBILITY TO
CLEAN UP ANY MESS MADE BY DOGS UNDER THEIR CONTROL**

Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Kennel Club in their possession. Samples may be taken for further examination and analysis.
- 5 An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may however, be lodged by an official of the show or any anyone so deputed by the Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate) to substantiate the grounds for the objection. The Kennel Club will substantiate the grounds for an objection made on its behalf.
