Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Security at Shows

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows. The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

Exhibitors are reminded that the Kennel Club Regulations for the Preparation of Dogs for Exhibition will be STRICTLY enforced. Therefore the chalking, powdering or spraying (with the exception of water) of exhibits within the precincts of the show is forbidden

Dog Fouling and Grooming Waster (Animal)

Any owner, exhibitor handler or other person in charge of a dog is requested to remove immediately any fouling caused by their dog(s) and/or any grooming waste at any Kennel Club Licensed Show within the licensed venue and within the environs of that event including car; caravan parks and approaches

WILL NOW BE JUDGED

ABOUT OUR JUDGES

Firstly I would like to thank the PMDC of GB for giving me the opportunity to judge our beautiful breed at our GB Championship Show and to thank all exhibitors entered, for the privilege to assess your dogs. It is indeed a honour I will cherish, and have been looking forward to it for a considerable time.

My involvement with Pyrenean's spans a life time, commencing in the 1960's when I was only a year old and my parents bought their first dog from the famous Bergerie Kennels. We have been privileged to share our lives with them continuously from that moment forward.

Throughout the decades we have imported the breed from France, Sweden and the USA to enhance and develop our lines. which has been and continues to be a huge success.

In the UK, we have amassed over 160 Challenge Certificates; held the #1 Pyrenean and Top Stud Dog on numerous years; won multiple Best in Shows and our kennel has won Best of Breed at Crufts on no less than 7 occasions.

One of our most enjoyable and recent achievements was winning 'Best Expression' with our homebred bitch at the 2023 100th Anniversary World Show in Argeles, held in conjunction with the French RACP National is an accolade I will never forget.

I have judged in the UK on numerous occasions and currently award Champion status across 2 groups. In the spring of this year i will judge the PMDC of Great Pyrenees Club of America National and am delighted to have been appointed to judge the breed at Crufts in 2027.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm

Please take care of your dog

If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise.

The Committee does not accept responsibility for the content of advertisements or products advertised. We wish to remind exhibitors that grooming products on sale may not meet the requirements of Regulations for the preparation of dogs for exhibition.
