Security at shows

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

RULES AND REGULATIONS

2. Dogs will be received at any time but it is the exhibitors responsibility to ensure that exhibits are available for judging when required

Where the Best in Show is a puppy it should automatically be awarded Best Puppy in Show respectively. Where the Reserve Best in Show is a puppy which has only been beaten by an adult dog it should also automatically be Best Puppy in Show respectively. Consequently, selection of Best Puppy in Show must follow the selection of Best in Show respectively.
11. Best in Show Best in Show must be selected from the exhibits declared Best of Sex but only if they have received a first prize in a class at the same show. If a Reserve Best in Show is to be selected, the eligible dogs are those declared Best Opposite Sex and the Reserve Best of Sex to the exhibit declared Best in Show.
12. Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not being completed on time, and then only with the special permission of the Show Management.
13. Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not touch the ground when on the move. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
14. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) Regulations for the Preparation of Dogs for Exhibition.
15. All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.

The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
18. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered at an additional cost of £1.00 per dog
19. No modifications will be made to the schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine press wherever possible.

Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Our judge Darren Clarke

I have owned dogs all my life and have been involved with the show scene for over 30 years with my first Briard coming along in 1984. From just a handful of litters over the years I have bred Champions and General Championship Show Group winners in Briards including Top Briard on a number of occasions and Crufts BOB on 3 occasions including a Group 3 in 2003. I have also owned Champions in Pulis and Skye Terriers. I currently own and show a Puli (whom I have just made up to a Champion) a French Bulldog, Pug and a Great Dane.

I award CCs in Briards, Pulis, Border Collie and Australian Shepherd Dogs. I have attained a KC Judges Development Programme 'Breed Credit' for Bearded Collies and Swedish Vallhund and passed the new KC 'Eye For A Dog' assessment. I judge all breeds, Groups and BIS at Open show level.

I have judged Club Shows for Briard, Puli, Border Collie, Komondor, Lancashire Heeler, Polish Lowland Sheepdog, Shetland Sheepdog, Bernese Mountain Dog, Pyrenean Mountain Dog, Rough Collie, Dobermann and have invitations to judge Club Shows for OES, Smooth Collie, Norwegian Buhund and Great Dane. I judged Briards at Crufts in 2016.

I am a KC member, Chief Steward for Richmond CH Show, Secretary of Crystal Palace Open show, Chief Steward for South Eastern Hound Club and serve on the British Briard Club committee and help run the Breed Seminars including sitting on the Judges sub-committee and have recently been appointed the breed's BEC.

Anyone that is interested in Pastoral Breeds cannot fail to be charmed by Catalan Sheepdogs ... and I am no exception! I first became interested in the breed from the very start of when they were introduced to the UK. They have many similarities to my first love, Briards, albeit on a smaller scale. I must admit I am surprised that they haven't become more popular than they are. Catalans are a handy size, moderate coat, good watch dogs and great characters, both loyal and intelligent. I have judged them a number of times, both in breed and varieties. I attended the Club's Breed Seminar and passed both the written exam and hands-on assessment.

I am eagerly looking forward to this appointment and thank the Officers and Committee of the Catalan Sheepdog Club of Great Britain for the invitation.

DOGS IN VEHICLES ON HOT DAYS

**Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm - Please take care of your dog
If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused**

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.

Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the K.C. in their possession. Samples may be taken for further examination and analysis.
- 5 An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may however, be lodged by an official of the show or any anyone so deputed by the Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate) to substantiate the grounds for the objection. The Kennel Club will substantiate the grounds for an objection made on its behalf.
