My first dog show was in 1989. I came home with a prize card, that was the start of my dog showing life. Nearly 30 years later I still get a buzz showing my dogs.

I was delighted to be invited to judge for The Merseyside Boxer Club - such a friendly lot. The last time I judged Dogs was in 2011 for London & Home Counties Boxer Club.

This will be my 7th time awarding Challenge Certificates and I'm looking forward to it immensely.

Bitches: Sue Garner (Aivlys)

I have had dogs from a very early age and in 1968 I had to have a very large cross breed male put to sleep (he had a large tumour), he was only 8 years old. It was not long before we had another dog, a female PMD. We were advised to take her to training classes, which we did. Well after a few weeks, when all was going well, the trainers' dog, a GSD, took a dislike to her and attacked her, well that was the end of doing any word off the lead. We were then advised to take her to Ring Craft Training, I did not have a clue what I was letting myself in for and this was the beginning of my showing dogs.

I must have chosen well when I purchased her, because she did a lot of winning, I made her up at LKA Nov 1971 and had BOB at Crufts 1972 - CH Godura de Fontenay.

I tried to breed from her but I should not have left it so late, I did eventually get one bitch pup, Awton Premier Edition, which I had to hand rear, it was like having a baby, she went everywhere I went, even to shows that I was on the committee of, I could leave Mum at home but the puppy had to be fed so many times a day, all the hard work we put in paid off. She was top winning bitch in breed and won 25 CCs, 12 were won in 1975 and she was Reserve Best in Show at National Working Breeds in 1975, that is when I went onto the committee and I am still there today.

E'Dition son was my pride and joy, he was a gentleman, he like his Mother likes shows and the attention they got, he was not going to be left out on winnings, I made him up to a UK & Irish Champion, he loved the trips to Ireland, travelling with friends and their Newfoundlands. I now have Tibetan Terries and enjoy showing them. To date I have made up 3 Champions in the Breed - CH Aivlys Just One Look, CH Aivlys Best Mate and CH Aivlys Bri'e. Also CH Aivlys Black Bonnie, owned by Mrs Olive Thomas. Bonnie was Top Welsh Dog.

I have been on Richmond committee now for many years as Chief Steward.

Referee: Terry Donovan

I was brought up in South London, my Parents were friends with a Pub Owner who owned a Boxer I used to walk him all around London then we would catch the underground home, in the stations he would sit at my feet then when the train moved climb on the seat next to me, then off at the next station, I thought Clever Dog I want one of these.

About 1970 when we had moved to Cheshire we bought our First Boxer as a pet, although he won a community show at six months of age. In approximately 1979 in Wales we rescued a show dog and was persuaded to start showing him. The bug bit.

We bought a show Puppy in 1981, subsequent boys & girls followed. I found that although I could train people & their dogs to show, I was a useless handler, so I started to Steward & found that was my Forte. I last handled a Bitch we bred under Terry Thorne, upon returning to him after running her he said " don't give up the stewarding Terry" Enough said.

DOGS IN VEHICLES ON HOT DAYS

Show Schedule Notice

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise.

Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.

Right to Refuse Entries: Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.

IMPORTANT MESSAGE FROM THE BOXER BREED COUNCIL HEALTH COMMITTEE

Juvenile Kidney Disease has been reported as a possible health problem in Boxers. So far, the reported cases are consistent with an occurrence of less than 0.1% within the UK Boxer population however we cannot be complacent and this number may simply mean that not all cases are being reported. Boxer Breed Council is therefore encouraging the whole Boxer community to get involved in identifying and reporting cases to allow us to research the condition thoroughly. The symptoms seen are increased thirst and therefore an increase in urination. Loss of appetite, weight loss, stunted growth, lethargy and vomiting are also seen in most cases. When the kidneys are examined by ultrasound they are smaller than normal and often uneven in shape. Symptoms usually start between four months and two years.

If you know of a possible case please e/mail boxerhealth@btinternet.com and you will be sent all the details of what you need to do by return. Reasonable expenses which are incurred in providing samples will be covered by Boxer Breed Council. All reported cases will remain confidential to the Boxer Breed Council Health Committee and its scientific advisers.

Further details, including Questions and Answers, are available on the health pages of the Breed Council website www.boxerbreedcouncil.co.uk
