### **Dogs: Liz Adams (Carkennar)**

I was brought up with Springer Spaniels, so when Bob and I got together we decided to get a dog. The boys wanted a fun dog, Bob wanted a man's dog and I wanted a dog with minimum grooming, so a boxer it was!! In 1993 we got our first bitch from Vicky Whannel, Truffle (Taranut Highland Nector at Carkennar), Katiecroft Calender Girl at Taranut x Manic Midnight Madness of Hillroy. She was actually too good for us as we were merely novices. A year later we bought a Hillroy bitch who was the foundation bitch of our small kennel, mated to CH Valabeau Nine Carat Gold, she produced Clottie Dumpling who won a green star, then a few weeks later the Bitch CC at the Trent Boxer Club in 1998.

My love of our breed began with Truffle all those years ago. I was on the Scottish Boxer Club committee for a good number of years and I am currently on our local show committee plus our Ringcraft - I really feel you should give something back to the people who helped you, dog shows don't run themselves!!

I am delighted to award CCs today at one of my favourite shows

### **Bitches: Jean Grandfield (Bontrapu)**

I have owned and shown Boxers since 1970 in partnership with my great friend the late Mary Laing. We bought two puppies, Starmark Cameo and Starmark Silhouette from the late Jean Heath for 30 Guineas each. Cameo was a real showgirl if not a bit to sparky for first timers, however at her first show, the Mancunian Boxer Club under Walter Potts, she was Best Puppy in Show. She continued to win well gaining a CC at Leeds.

We were both Nursing full time and working unsocial hours so showing and breeding was very much a hobby with just a litter every 3 or 4 years. We were fortunate to breed CH Bontrapu Just One Look and win 3 CCs and 11 Reserve CCs with our other boxers.

I have not shown for several years but still own Boxers and maintain a keen interest in our lovely breed.

It is a great honour to be asked to judge a Breed Club Championship Show and I thank the Committee for inviting me on what will be my 11th appointment awarding CCs.

I hope you all have an enjoyable day with friends and our lovely Boxers.

### **Referee: Margaret Wildman (Wildax)**

Along with my late husband Frank & family I run the Wildax Kennels in Liverpool. I have owned Boxers since 1961 when I married into a dog showing family and together with my husband, we bred three litters in the 60s, which was when I started working in Obedience and doing Working Trials & Tracking, later progressing into the show ring in 1975. We have now bred Champions in 7 different breeds and I award CCs in 24 breeds over the Working, Pastoral, Toy and Utility Groups: I am also a Best In Show judge.

I have been invited to judge all over the world and have had great pleasure judging in forty five different countries. I have enjoyed being a ring steward over the years and still officiate on a regular basis today. I am now Chairman of two clubs and very proud to have been elected by the members President and Honorary Life Member of four Canine Societies that I have been involved with for over 40 years. I look forward very much to meeting all the Boxer folk at the MBC CH Show and I wish everyone a very pleasant and enjoyable day.

A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best in Show is a puppy it should automatically be awarded Best Puppy in Show. Where the Reserve Best in Show is a puppy which has only been beaten by an adult dog it should also automatically be Best Puppy in Show. Consequently, selection of Best Puppy in Show must follow the selection of Best in Show.
11. **Best in Show** Best in Show must be selected from the exhibits declared Best of Sex but only if they have received a first prize in a class at the same show. If a Reserve Best in Show is to be selected, the eligible dogs are those declared Best Opposite Sex and Reserve Best of Sex to the exhibit declared Best in Show.

15. All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.

17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
18. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered
19. No modifications will be made to the schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.

## REGULATIONS FOR THE PREPARATION OF DOGS FOR EXHIBITION F(B)3

- 1 These regulations must be observed when a dog is prepared for exhibition and/or exhibited at any Kennel Club Licensed event. Objections may be referred to the Board for disciplinary action under these Show Regulations and/or disciplinary action under Kennel Club Rule A11.  
(a) a dog found to have been exhibited in breach of these Regulations will automatically be disqualified from exhibition at the show and from any award gained thereat.  
(b) Unless the exhibitor provides a satisfactory explanation for the dog being exhibited in breach of these Regulations then he/she may be subject to further penalties of either a fine or as listed under Rule A11.
- 2 (a) No substance which alters the natural colour, texture or body of the coat may be present in the dog's coat for any purpose at any time during the show. No substance which alters the natural colour of any external part of the dog may be present on the dog for any purpose at any time during the show.  
(b) Any other substance (other than water) which may be used in the preparation of a dog for exhibition must not be allowed to remain in the coat at the time of exhibition.
- 3 No act or operation which alters the natural conformation of a dog or any part thereof may be performed except:  
(a) Operations certified to the satisfaction of the Board.  
(b) The removal of dew claws of any breed.  
(c) Operations to prevent breeding provided that such operations are notified to the Kennel Club before neutered dogs are shown.  
Nor must anything be done calculated in the opinion of the Board to deceive.
- 4 The Board without previous notice may order an examination of any dog or dogs at any show. Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Kennel Club in their possession. Samples may be taken for further examination and analysis.
- 5 An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may however, be lodged by an official of the show or any anyone so deputed by the Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate) to substantiate the grounds for the objection. The Kennel Club will substantiate the grounds for an objection made on its behalf.
- 6 Any objection by an individual related to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the Show & the individual must produce evidence of identity at the time of lodging the complaint.

### Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices. Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to PowerPoints so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

### Security at Shows

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

## DOGS IN VEHICLES ON HOT DAYS Show Schedule Notice

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

**WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.

Right to Refuse Entries: Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.

**IMPORTANT MESSAGE FROM THE BOXER BREED COUNCIL HEALTH COMMITTEE**  
**Juvenile Kidney Disease** has been reported as a possible health problem in Boxers. So far, the reported cases are consistent with an occurrence of less than 0.1% within the UK Boxer population however we cannot be complacent and this number may simply mean that not all cases are being reported. Boxer Breed Council is therefore encouraging the whole Boxer community to get involved in identifying and reporting cases to allow us to research the condition thoroughly. The symptoms seen are increased thirst and therefore an increase in urination. Loss of appetite, weight loss, stunted growth, lethargy and vomiting are also seen in most cases. When the kidneys are examined by ultrasound they are smaller than normal and often uneven in shape. Symptoms usually start between four months and two years.

If you know of a possible case please e/mail [boxerhealth@btinternet.com](mailto:boxerhealth@btinternet.com) and you will be sent all the details of what you need to do by return. Reasonable expenses which are incurred in providing samples will be covered by Boxer Breed Council. All reported cases will remain confidential to the Boxer Breed Council Health Committee and its scientific advisers.

I/We agree without reservation that any Veterinary Surgeon operating on any of my/our dogs in such a way that the operation alters the natural conformation of the dog or part thereof may report such operations to the Kennel Club.
