IMPORTANT MESSAGE FROM THE BOXER BREED COUNCIL HEALTH COMMITTEE

Juvenile Kidney Disease has been reported as a possible health problem in Boxers. So far, the reported cases are consistent with an occurrence of less than 0.1% within the UK Boxer population however we cannot be complacent and this number may simply mean that not all cases are being reported. Boxer Breed Council is therefore encouraging the whole Boxer community to get involved in identifying and reporting cases to allow us to research the condition thoroughly. The symptoms seen are increased thirst and therefore an increase in urination. Loss of appetite, weight loss, stunted growth, lethargy and vomiting are also seen in most cases. When the kidneys are examined by ultrasound they are smaller than normal and often uneven in shape. Symptoms usually start between four months and two years.

If you know of a possible case please e/mail boxerhealth@btinternet.com and you will be sent all the details of what you need to do by return. Reasonable expenses which are incurred in providing samples will be covered by Boxer Breed Council. All reported cases will remain confidential to the Boxer Breed Council Health Committee and its scientific advisers.

Further details, including Questions and Answers, are available on the health pages of the Breed Council website www.boxerbreedcouncil.co.uk

OUR JUDGES

Stuart Mallard: Animals have always played a huge part in my life since my earliest recollections and the family always had a couple of dogs. I became seriously involved with the canine world in 1967, initially with Old English Sheepdogs achieving many Champions both here and overseas under the Lameda and later Tuckles affixes.

Ten years living on the continent gave me the opportunity to show and judge throughout Europe, memorable events include achieving a World Champion title when the show was held in Germany and judging at the same show when held in Austria. Also winning the herding group at the Amsterdam Winners show. Bouvier des Flandres had been added to the kennel and were brought back to the UK. It was a great thrill when Bobby James awarded King Elke Van Het Molengat at Tuckles the breeds first CC & BOB at Crufts in 1988 and he quickly became the first Champion in this country.

My first Challenge Certificate appointment was at Blackpool in 1974 and I am currently approved to award CCs to 68 breeds across five groups plus the Working, Pastoral, Utility, Toy and Hound Groups and BIS at Championship level. I have also served on various committees over the years and acted as a JDP assessor. My professional life as an artist has also brought me into contact with many of the countries top winning dogs.

I am very much looking forward to judging the Northern Boxer Club Show.

Tommy Dahlstrom: Since my early childhood in Sweden, where I was born and brought up, I have been surrounded by Boxers. During the 60's and 70's, I was an active member of the Swedish Boxer Club, and the editor of its club magazine for several years. During this time I was often engaged as a handler, and also debuted as a breeder with my first litter.

My studies and work brought me to England, where I became involved with the English boxer scene, and for several years took an active part in the Witherford Boxers. Here I launched the first truly international boxer magazine 'BOXERAMA'.

In 1982 I was approved by the Kennel Club as Championship Show Judge for Boxers, and have since judged regularly, but not often; lately in Australia, Sweden, Norway and UK.

Today, I live outside Berlin, where I have worked for an international pharmaceutical company since the early 90's, unfortunately with little time left for my boxer interest. Since my retirement, I have had more time to involve myself in the world of Boxers; to follow the development of the Boxer breed, visit the major shows around Europe. Right now I am involved in the in planning and organizing the ATIBOX World Boxer Show held in Malmö, Sweden end of May.

10. The mating of bitches within the precincts of the Show is forbidden.
11. **Best Puppy in Show** Where a Best Puppy in Show competition is scheduled the Best Puppy in Show is a puppy which has competed and is unbeaten by any other puppy exhibited at the same Show. A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best in Show is a puppy it should automatically be awarded Best Puppy in Show. Similarly, if the Reserve Best in Show is a puppy which has only been beaten by an adult dog it should also automatically be Best Puppy in Show. Consequently, selection of Best Puppy in Show must follow the selection of Best in Show. Best Puppy in Show must be selected from puppies which have been judged and which are unbeaten by any other puppy. **Withdrawal from Other Competition** Puppies which become eligible for Best Puppy in Show may be withdrawn from all other competition, other than Breed Classes prior to the competition for Best Puppy in Show as appropriate, in order to remain unbeaten. A puppy beaten in competition for Best Puppy in Show may subsequently be exhibited in all competition for which it was previously eligible. The dog declared Best Puppy in Show, however, must not compete in any subsequent competition. **Proviso** For the purpose of this Regulation, dogs beaten in competition for Stud Dog, Brood Bitch, Progeny, Brace and Team or a Special Award confined to one breed will not be considered to be a beaten dog.
12. **Best in Show** The dog declared Best in Show is a dog which had competed and is unbeaten by any other dog exhibited at the same Show. Best in Show must be selected from the exhibits declared Best of Sex providing they are unbeaten winning dogs. Reserve Best in Show must be selected from the Best Opposite Sex and the Reserve Best of Sex to the exhibit declared Best in Show. The dogs declared Best in Show and Reserve Best in Show must not compete in any subsequent competition. **Withdrawal from Other Competition** Dogs which become eligible for Best in Show may be withdrawn from all other competition, other than breed classes prior to the competition for Best in Show as appropriate in order to remain unbeaten. A dog beaten in competition for Best in Show may subsequently be exhibited in all competition for which it was previously eligible. The dogs declared Best in Show and Reserve Best in Show however, must not compete in any subsequent competition. **Proviso** For the purposes of this Regulation, dogs beaten in competition for Stud Dog, Brood Bitch, Progeny, Brace and Team or a Special Award confined to a single breed, will not be considered to be beaten dogs.
13. Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not completed on time, and then only with the special permission of the Show Management.
14. Exhibitors must not pick up dogs by their tails and leads when lifting them. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
15. It is not acceptable to handle a dog in a manner which causes its feet not to touch the ground when on the move. Exhibitors should note that such practices could constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
16. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) - Regulations for the Preparation of Dogs for Exhibition.
17. All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.

21. Should either Judge be prevented from fulfilling their appointment, the Committee reserve the right to appoint a substitute. Exhibitors may withdraw from competition but entry fees will not be refunded.
22. The Committee reserve the right to exclude a dog not in a fit state for exhibition due to disease, vice or any other cause, and if this happens, the entry fee will be forfeited
