9. The mating of bitches within the precincts of the show are strictly forbidden
10. **Best Puppy in Show** Where a Best Puppy in Show competition is scheduled the Best Puppy in Show is a puppy which has competed and is unbeaten by any other puppy exhibited at the same show. A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best in Show is a puppy it should automatically be awarded Best Puppy in Show. Where the Reserve Best in Show is a puppy which has only been beaten by an adult dog it should also automatically be Best Puppy in Show. Consequently, selection of Best Puppy in Show must follow the selection of Best in Show.
11. **Best in Show** Best in Show must be selected from the exhibits declared Best of Sex. If a Reserve Best in Show is to be selected, the eligible dogs are those declared Best Opposite Sex and Reserve Best of Sex to the exhibit declared Best in Show.
12. Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not completed on time, and then only with the special permission of the Show Management.
13. Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not touch the ground when on the move. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
14. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) - Regulations for the Preparation of Dogs for Exhibition.
15. All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
16. DOGS IN VEHICLES ON HOT DAYS - See reverse of Entry Form.
17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations.
18. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered
19. No modifications will be made to the schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine press wherever possible.

Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices. Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used. The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Security at Shows

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

OUR JUDGES

Monique Hodgkinson (Tanyati)

My love of the Boxer breed started many years ago when my long suffering husband agreed (perhaps mistakenly, if you were to ask him today...) with my desire to fulfil a childhood dream of having my own dogs. In searching for the 'perfect' dog, I saw an advert on TV that featured a dog that displayed not only beauty, but some serious brains! I knew what breed I wanted! So, in 1996, the first Boxer arrived in the (newly married) Hodgkinson household. And we all know that one Boxer is not enough. So I added another and another. Very soon I was knee deep in everything I could possibly get involved with in Boxers - working, breeding, committees, and ultimately judging. I qualified as a Boxer Specialist Judge in 2000. I have judged Boxers in South Africa, Ireland, the United Kingdom, New Zealand and Australia. I have judged conformation at 1 Official Boxer Breed Survey and judged 3 official Boxer Breed Assessments. I am currently qualified to judge and award Challenge Certificates in the Working Group at Championship Show level, and qualified to judge the Gundog and Hound groups at Open Show level.

Ann Bee (Beeann)

I bought my first pet boxer in 1993 from Don & Marilyn Humphries Burmadon Boxers, I was fortunate to able to buy my first show bitch 1994 from the Brent family in Ardingly Zoeash Annies Song at Wesjanson "Katie" by CH. Sulez Whatever You Say, she excelled in the ring winning my first BPIB. Her first litter was to CH. Tygarth Pacherenc at Seacrest which produced Wesjanson That's my Boy "Tigar" who won my first BPD at a champ show. After moving to Scotland I bought Glenauld Special Game at Beeann "Joe" in 2002 who I won my first green card with. In 2005 I was lucky enough to buy in my first red dog Norwatch Sunhawk Magic Spel at Beeann "Jack" who won well in ring being shortlist for the CC several times. Jack is the sire of my home bred winner Mark Beeann Ride on Star who was showed along side his kennel mate "Blake" Winuwuk An Absolute Scandal at Beeann (owned in partnership with his breeders) who qualified for the Pet Plan Junior Stakes final 2009, he is also the grandfather of my current winning bitch Beeann Bootilicious "Lucy".

I have judged The British Boxer & The Irish Boxer Open Shows. I have also served on the Scottish Boxer Club Committee.

I am honoured and thrilled to be judging Bitches at the Northern Boxer Club today, this being my first Ch show appointment.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog
- When at the show, never leave your dog in the vehicle
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

IMPORTANT MESSAGE FROM THE BOXER BREED COUNCIL

Juvenile Kidney Disease has been reported as a possible health problem in Boxers. So far, the reported cases are consistent with an occurrence of less than 0.1% within the UK Boxer population however we cannot be complacent and this number may simply mean that not all cases are being reported. Boxer Breed Council is therefore encouraging the whole Boxer community to get involved in identifying and reporting cases to allow us to research the condition thoroughly. The symptoms seen are increased thirst and therefore an increase in urination. Loss of appetite, weight loss, stunted growth, lethargy and vomiting are also seen in most cases. When the kidneys are examined by ultrasound they are smaller than normal and often uneven in shape. Symptoms usually start between four months and two years.

If you know of a possible case please e/mail boxerhealth@btinternet.com and you will be sent all the details of what you need to do by return. Reasonable expenses which are incurred in providing samples will be covered by Boxer Breed Council. All reported cases will remain confidential to the Boxer Breed Council Health Committee and its scientific advisers.

Further details, including Questions and Answers, are available on the health pages of the Breed Council website www.boxerbreedcouncil.co.uk
