A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best in Show is a puppy it should automatically be awarded Best Puppy in Show respectively. Where the Reserve Best in Show is a puppy which has only been beaten by an adult dog it should also automatically be Best Puppy in Show respectively. Consequently, selection of Best Puppy in Show must follow the selection of Best in Show respectively.
11. Best in Show Best in Show must be selected from the exhibits declared Best of Sex. If a Reserve Best in Show is to be selected, the eligible dogs are those declared Best Opposite Sex and the Reserve Best of Sex to the exhibit declared Best in Show.

15. All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.

17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. 19. No modifications will be made to the schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine press wherever possible.

Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices. Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used. The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Security at Shows

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows. The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows. The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert. Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

REGULATIONS FOR THE PREPARATION OF DOGS FOR EXHIBITION F(B)3

- 4 The Board without previous notice may order an examination of any dog or dogs at any show. Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Kennel Club in their possession. Samples may be taken for further examination and analysis.
- 5 An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may however, be lodged by an official of the show or anyone so deputed by the Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate) to substantiate the grounds for the objection. The Kennel Club will substantiate the grounds for an objection made on its behalf.
- 6 Any objection by an individual related to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the Show & the individual must produce evidence of identity at the time of lodging the complaint.

Press accredited photographers authorised by the Committee may take photographs ONLY for use in newspapers, magazines and internet sites, for news purposes only. There is no objection to Club Members of visitors taking photographs or video footage of general views of the show, provided that these are for personal private use. Specific dogs may be photographed or recorded on video footage only with the approval of the owner and/or exhibitor. Only Official Club Photographers may undertake photographic, film or video activities in the ring but not whilst judging is actually taking place. The use of flash devices for photography or video footage will be permitted unless exhibits are being adversely affected. Where this occurs outside the ring, the judge and ring steward(s) are empowered to stop the person using flash devices.

◆ SPECIAL FEATURE EVENT ◆

To be judged by: Mrs Margaret Noyce (Maxula)

To assist up & coming 'C' List Judges

All dogs beaten at this event are considered unbeaten for the main Open Show

The event will commence during the Open Show lunch break

Category B	Special Post Graduate Dog or Bitch
Category C	Special Open Dog or Bitch
Puppy Walk	For puppies 4-6 months of age

All dogs to be entered with A, B, C or PW in the 'classes' column of the entry form

Mrs Margaret Noyce Having previously owned, bred and showed GSD'S, my interest in Westies began in the early 1990's when a friend ignored my advice and bought a pet male from a puppy farm! As a representative of the breed he was appalling but as a character he was a delight. The bug had bitten!

Our first Westie arrived in 1994, soon followed by a second one, both groomed and handled in the ring by Helen Dangerfield who taught me the basics of grooming and handling. My first experience of whelping a Westie produced 9 puppies 8 of which were reared. It was an easy natural whelping--wish they were all like that!

After the very early days I decided to handle the dogs myself never even dreaming that I would one day handle our own World Winner!

I first judged the breed in 2014 doing Special classes at the Southern Club Ch. Show. Since then I have judged at a number of Open shows including the Northern Cairn and Westie Club in 2016.

I am looking forward to judging the Special classes at the November Open Show 2019.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog
- When at the show, never leave your dog in the vehicle
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm

Please take care of your dog

If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.

Right to Refuse Entries.

Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.
