RINI VAN WIJK

My affix v/d Betuws Glorie is from 1976 and that's the year I was born! My father and mother have bred Bull Terriers for many years before I took over the affix and started with the breed Staffordshire Bull Terriers, which is where my heart belongs.

I have bred and owned many CC winners and Champions which I am very proud of. Right now I am showing my own bred dog Be Aware w/d Betuws Glorie that I have 1 CC and 4 RCCs in the UK. I now have 3 Stud Book numbers with my own bred dogs that have made me very proud in the show ring. I was the Show Manager for the SBTCN for many years and built up the International Stafford Match for the Club, it was always a pleasure to build up the event and see people from all over the world.

It will be an honour to judge your show and I will give all exhibitors my honest opinion. I believe that a good dog does not have a colour preference.

PLEASE REMEMBER

NO DOGS TO BE LEFT UNATTENDED IN VEHICLES

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of your dog. If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused. Anyone whose dog is entered at a KC licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission, or otherwise. Breach of KC Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations).

IDENTIFICATION OF DOGS

It is now a Kennel Club requirement that exhibitors display the exhibit number on their crate, cage or container at all times. Each exhibitor is responsible for providing their own crate or cage identification and should note that the original exhibit number card, as provided by the show society, must not be used for this purpose.

DOG FOULING F8(a)

Any owner, exhibitor, handler or other person in charge of a dog is required to remove as soon as possible any fouling caused by their dog(s) at any Kennel Club licensed show within the licensed venue and within the environs of that event including the car and caravan parks and approaches. The Society will arrange for the dispersal of suitable receptacles to assist compliance with regulation F8(a).

SOFT CRATES

The Kennel Club has asked that we draw attention to the potential health and safety implications concerning the use of soft crates as in its view, they do not offer sufficient protection to dogs. They have asked that we point out that dogs should not be left unattended in soft crates. There have been instances where dogs have escaped from soft crates which have not been securely fastened to benches, or that have been left at ringside. We therefore ask that if you use soft crates, you do not leave your dogs unattended, either in the hall, or in an open car in the car park.

PROOF OF POSTING

PLEASE NOTE: Exhibitors are advised to obtain proof of posting when sending in their entries, this would help if entries go astray.

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm

Please take care of your dog

If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused

Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The KC has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Security at Shows

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog
- When at the show, never leave your dog in the vehicle
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise.

Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under

Exhibitors please note: In accordance with new Kennel Club guidelines, exhibitors must display exhibit number/owner identification on their crate, cage or container at a times.
