OUR JUDGE

I have owned and bred Bearded Collies for more than 40 years with my early experience being shaped by my fascination for the beardie champions of the late 60's and 70's. My Sandytrail affix derives from one of my early beardies but about 15 years ago my husband and I decided to focus on a new breed, Pyrenean Sheepdogs.

We show extensively on the continent, especially in France where we regularly compete in the National d'Elevage in the Pyrenees. We have made up numerous champions and hold in excess of 35 UK BOB's and a similar number of CAC's/CACIB's in European competition, all with home bred dogs.

I have met many Catalan owners and breeders in the Pyrenees and other International Competitions and have had the opportunity to see how they are judged as well as to discuss the finer points of the breed. In the UK I have judged Catalans on numerous occasions and I have attended 3 Catalan Education Days and Assessments. I award CC's in Bearded Collies and I am on the A3 list for Pyrenean Sheepdogs and the B list for Catalans. I consider it a real privilege to be invited to judge your 2021 Breed Open Show. I am so aware of the effect that the Covid epidemic has had on the Dog Show world and I would just assure exhibitors that I will be ensuring that all my entries have enough time to fully show off their best qualities and enjoy their day out.

I will be looking to reward dogs with excellent breed type, typical Catalan movement and outstanding condition.

Shane Flint, Sandytrail Pyrenean Sheepdogs

LUNCH BREAK

In the lunch break we will have a demonstration from Calmer Dog Training on Hooper's and Search & Rescue by Amanda Whyte

Canine Hoopers UK was formed in 2017 to provide handlers and their dogs with a fun, fast and low impact sport. Because Canine Hoopers is a fun new low impact sport it is suitable for all dogs including puppies (short sessions) and seniors. It is an inclusive sport and ensures that it is accessible to all dogs including tiny and large breeds. The challenge is to negotiate a series of ground-level obstacles of hoops, tunnels and barrels at the dog's natural pace without sharp turns. The technical aspect is for the handlers to be able to direct their dogs from a distance using both verbal and hand cues. Amanda Whyte, Canine Hoopers UK Advanced Instructor, Judge and winning competitor with Heather Nicholls, Canine Hoopers Instructor will be offering you the opportunity to 'Have a go' at this fun sport. There will also be a short talk and a demonstration by Poppy the Catalan Sheepdog completing a competition course.

The Louth Search and Rescue Dog Team was set up in 1997 by a serving police dog handler to back up the Police when searching for missing persons. The service is a free, voluntary, passive searching service to the police within the community of Lincolnshire and just recently Humberside. Although it is a voluntary free service the handlers and dogs are trained by Lincolnshire Police and are assessed annually by Home Office assessors. A fully trained and assessed dog is known as an operationally licensed dog. The handlers and dogs can be called out any time day or night 365 days a year by the Police. The demonstration will show the different stages of training that a dog goes through to become an operational licensed dog. The work ethic of the Catalan Sheepdog with their keen nose, love of barking and drive makes them an ideal search dog.

No substance which alters the natural colour of any external part of the dog may be present on the dog for any purpose at any time during the show.
 - (b) Any other substance (other than water) which may be used in the preparation of a dog for exhibition must not be allowed to remain in the coat at the time of exhibition.
- 3 No act or operation which alters the natural conformation of a dog or any part thereof may be performed except:-
 - (a) Operations certified to the satisfaction of the General Committee.
 - (b) The removal of dew claws of any breed.
 - (c) Operations to prevent breeding provided that such operations are notified to the Kennel Club before neutered dogs are shown.Nor must anything be done calculated in the opinion of the General Committee to deceive.

Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the KC in their possession. Samples may be taken for further examination and analysis.
- 5 An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may however, be lodged by an official of the show or any anyone so deputed by the KC. It will be the responsibility of the individual who lodges the objection or the official (as appropriate) to substantiate the grounds for the objection. The KC will substantiate the grounds for an objection made on its behalf.
- 6 Any objection by an individual related to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the Show & the individual must produce evidence of identity at the time of lodging the complaint.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of your dog. If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused.

Your dog is vulnerable and at risk during hot weather and the KC offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Use of Electrical Equipment at Shows The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices. Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used. The KC has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Security at shows In light of recent events the KC would like to issue a reminder to all Societies of the importance of security at dog shows. The KC understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows. The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert. Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.
