### About our Judge

Jeff started in dogs at an early age, initially with his mother's Great Danes, which became the world famous Auldmoor Kennel. Like many people a family pet was bought, they had a go at a show, and a lifelong interest followed.

He wanted a dog of his own breed, and so a Miniature Wire Dachshund was chosen. In all 23 Miniature Wire Champions have followed, including 3 Crufts BOB winners, and 5 different Group winners. He has had a separate interest in the Drakesleat kennel name.

He has also owned a Champion Greyhound (the last Champion from the famous RP kennel), 2 Field Spaniel Show Champions, along with a RCC winning Basenji and Soft Coated Wheaten Terrier, and handled a Whippet and an Italian Greyhound to a CC. Jeff would also handle the Drakesleat Irish Wolfhounds when needed, winning CCs with a number of different hounds, including the breed record holder.

He first judged in 1982 and first awarded CCs in 1989 at the Scottish KC in Dachshunds. He now awards CCs to over 150 breeds in every Group, and has been approved for all 7 UK Groups and BIS.

He judged Miniature Wire Dachshunds at Crufts 2000, and has been fortunate to have judged there many time since, including the Hound Group in 2016, Crufts Best in Show 2017 and the Pastoral Group in 2022.

Jeff attended the Chow Chow Breed Council Education Day in 2021 and is very much looking forward to judging this club show.

### ***From the Secretary***

Dear members and friends,

Welcome to the schedule for our forthcoming golden jubilee open show! As you will see we are, for the first time, holding it in conjunction with SKC and we hope that plenty of you will join us. We are delighted to have Jeff Horswell judging for us, a very well known face in the showing world with experience in many breeds and we are very grateful that he agreed to judge at very short notice. Thank you Jeff! We will be offering special jubilee rosettes for all classes.

In September we will be holding our golden jubilee championship show at Lanark with Bill McNaught judging, as a founder of the club and hon life member we are thrilled that he will running his very experienced eye over all our Chows! We hope that many of you will join us for this special celebration.

Christina

### **Security at Shows**

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place

### **Use of Electrical Equipment at Shows**

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

### **REGULATIONS FOR THE PREPARATION OF DOGS FOR EXHIBITION F(B)3**

- 1 These regulations must be observed when a dog is prepared for exhibition and/or exhibited at any Kennel Club Licensed event. Objections may be referred to the Board for disciplinary action under these Show Regulations and/or disciplinary action under Kennel Club Rule A11.
  - (a) a dog found to have been exhibited in breach of these Regulations will automatically be disqualified from exhibition at the show and from any award gained thereat.
  - (b) Unless the exhibitor provides a satisfactory explanation for the dog being exhibited in breach of these Regulations then he/she may be subject to further penalties of either a fine or as listed under Rule A11.
- 2
  - (a) No substance which alters the natural colour, texture or body of the coat may be present in the dog's coat for any purpose at any time during the show. No substance which alters the natural colour of any external part of the dog may be present on the dog for any purpose at any time during the show.
  - (b) Any other substance (other than water) which may be used in the preparation of a dog for exhibition must not be allowed to remain in the coat at the time of exhibition.
- 3 No act or operation which alters the natural conformation of a dog or any part thereof may be performed except:
  - (a) Operations certified to the satisfaction of the Board.
  - (b) The removal of dew claws of any breed.
  - (c) Operations to prevent breeding provided that such operations are notified to the Kennel Club before neutered dogs are shown.Nor must anything be done calculated in the opinion of the Board to deceive.
- 4 The Board without previous notice may order an examination of any dog or dogs at any show. Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Kennel Club in their possession. Samples may be taken for further examination and analysis.
- 5 An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may however, be lodged by an official of the show or any anyone so deputed by the Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate) to substantiate the grounds for the objection. The Kennel Club will substantiate the grounds for an objection made on its behalf.
- 6 Any objection by an individual related to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the Show & the individual must produce evidence of identity at the time of lodging the complaint.

### DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog
- When at the show, never leave your dog in the vehicle
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

**Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm**

**Please take care of your dog**

**If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused**

### JUDGING AT PARTNERSHIP SHOWS

Partnership shows are those which are held where a host society and another club share a venue and facilities in order to allow exhibitors the opportunity to exhibit at two events during the duration of the host society's show. In most cases, the host society's event will be a general championship show held over a number of days. At partnership shows judges must not officiate at one show and enter or handle a dog for exhibition at the other show including exhibiting a different breed on another day to that which they are to judge. Partnership shows are defined as shows where the host club and other clubs share a venue and other facilities to allow exhibitors the opportunity to exhibit at each show.
