ABOUT OUR JUDGES

My love affair with French Bulldogs started as a teenager in the early 80's when my mother brought home the first of what was to be two retired bitches from Vivienne Watkins of the Bomlitz Kennel. These set the standard of Frenchies for me, so later in 2008 when I had the opportunity to purchase a puppy bitch from this line, my husband and I jumped at the chance to own Abbeymill All that Jazz at Kingsline, who was very successful in the show ring, winning top honours at both Open and Club events, as a puppy she placed 2nd in the 2009 Crufts.

But our interest extended also to Bull Terriers and Boston Terriers, which is where we became involved in these Breed Clubs and it is with Bostons that we are most closely associated today, but my love of the Frenchie has never waned and I watched as the Breed transformed from being almost a rare and a very select breed with a few hundred bred each quarter, to the popularity we witness today.

I am a senior judge of Bostons and Bull Terriers and have judged Frenchies since 2008, but this will be my first Club appointment. I am thrilled to be given this opportunity and am very much looking forward to being in the ring on this occasion rather than looking in from outside with envy!

Fiona King - Kingsline

My interest in French Bulldogs goes back for as long as I can remember but I wasn't able to have one until I moved out from home.

As soon as I saw my first it was love at first sight. I didn't start showing with her until she was a year old, and I loved showing all my frenchies over the years. The show scene is a really big passion of mine now whether it's in the ring judging or helping out with stewarding.

I really appreciate this opportunity to be judging the Bomlitz Special classes here at the French Bulldog Club of England's Summer 2023 show, and look forward to going over the wonderful dogs that you have been kind enough to enter today

- 2 (a) No substance which alters the natural colour, texture or body of the coat may be present in the dog's coat for any purpose at any time during the show. No substance which alters the natural colour of any external part of the dog may be present on the dog for any purpose at any time during the show.
 - (b) Any other substance (other than water) which may be used in the preparation of a dog for exhibition must not be allowed to remain in the coat at the time of exhibition.
- 3 No act or operation which alters the natural conformation of a dog or any part thereof may be performed except:
 - (a) Operations certified to the satisfaction of the Board.
 - (b) The removal of dew claws of any breed.
 - (c) Operations to prevent breeding provided that such operations are notified to the Kennel Club before neutered dogs are shown.Nor must anything be done calculated in the opinion of the Board to deceive.

Samples may be taken for further examination and analysis.

An objection may however, be lodged by an official of the show or any anyone so deputed by the Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate) to substantiate the grounds for the objection. The Kennel Club will substantiate the grounds for an objection made on its behalf.
- 6 Any objection by an individual related to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the Show & the individual must produce evidence of identity at the time of lodging the complaint.

Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices. Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Security at Shows

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows. The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert. Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

EXHIBITORS PLEASE NOTE:

In accordance with Kennel Club guidelines, exhibitors must display exhibit number/owner identification on their crate, cage or container at all times.

**NO CAGES/DOGS WILL BE ALLOWED AT THE IMMEDIATE RINGSIDE
A 'CAGE' AREA WILL BE PROVIDED**

**FOULING BY DOGS:
PLEASE DO NOT ALLOW YOUR DOG TO FOUL THE HALL OR
SURROUNDING AREAS**

**EXHIBITORS ARE REMINDED THAT IT IS THEIR OWN RESPONSIBILITY TO
CLEAN UP ANY MESS MADE BY DOGS UNDER THEIR CONTROL**

DOGS IN VEHICLES ON HOT DAYS

**Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures
and even on days considered as slightly warm**

Please take care of your dog

**If your dog is found to be at risk forcible entry to your vehicle may be necessary
without liability for any damage caused**

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
