OUR JUDGE - CHRIS CARBERRY

The judge for our Championship Show 2020 is Chris Carberry, well known in the breed not only as a Breeder, Exhibitor and Judge but for his past years of service to the Bulldog Club (Incorporated).

A great family man of varied interests including weight lifting, boxing and target shooting. Chris's involvement with Bulldogs started in 1980 when he and his wife Sally acquired her Uncle's dog, Barney. Exhibitors and breeders since 1983, Chris was in the Group ring at Crufts in 1985 with Coatesmar Watney Keg, a dog from the late Maggie Peacock. Since then there have been several notable dogs from the Berrybrook Kennel including the champion bitches; CH Berrybrook Buttons And Bows, CH Berrybrook Born To Boogie and the ticket winning Berrybrook Belinda at Outdoors. There have also been Berrybrook bred Champions in Ireland, Switzerland, Spain and Japan.

Chris started his official association of more than fifteen years with the 'Incorporated' when he became Editor of its magazine 'The Bulldog' in early 2000. In the following years he served over ten years in total as Secretary between 2002-2006 and again from 2009. During this time he was also President from 2006 until he retired from all duties in 2015.

After starting judging in 1987 Chris first awarded Challenge Certificates at Bath in 1997. Since then he has judged a further nine Championship Shows including the British, the Incorporated and most recently Crufts which he had intended to be his last appointment. Luckily for us he has agreed to give that honour to the London so we trust you will repay him with a super entry and a packed ringside.

- Exhibits may be removed from the Show after their judging has been completed. The Show will close half an hour after all judging has been completed.
- Entry Fees: Members £14.00 First Class Per Dog, Non-Members £17.00 First Class Per Dog, Veteran Entries £5.00 Per Dog, Subsequent Entries £2.00 With Same Dog Per Class. NFC £2.00 Per Dog.

- The Committee reserves to itself the right to refuse entries.
- Puppies under six calendar months of age on the first day of the Show are not eligible for exhibition.
- The mating of bitches within the precincts of the Show is forbidden.
- Best Puppy in Show - Where a Best Puppy in Show competition is scheduled the Best Puppy in Show is a puppy which has competed and is unbeaten by any other puppy exhibited at the same show. A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best in Show is a puppy it should automatically be awarded Best Puppy in Show. Where the Reserve Best in Show is a puppy which has only been beaten by an adult dog it should also automatically be Best Puppy in Show. Consequently, selection of Best Puppy in Show must follow the selection of Best in Show.
- Best in Show - Best in Show must be selected from the exhibits declared Best of Sex. If a Reserve Best in Show is to be selected, the eligible dogs are those declared Best Opposite Sex and Reserve Best of Sex to the exhibit declared Best in Show.
- Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not touch the ground when on the move. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
- All exhibitors must be familiar with Kennel Club Regulation F (Annex B) - Regulations for the Preparation of Dogs for Exhibition.
- All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
- Dogs in Vehicles on Hot Days - See Reverse of Entry Form
- Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
- Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered
- No modifications will be made to the schedule except by permission of the Board of The Kennel Club, which will be followed by advertisement in the Canine press wherever possible.

DATA PROTECTION NOTICE

The London Bulldog Society is required by the Kennel Club to keep a list of its members. Members details; names, addresses and telephone numbers, are **NOT** stored electronically and are only used for communication by the Society, for example, the sending out of Broadsheets, Show Schedules and any other notifications or publications emanating from the Society. They are not distributed nor disclosed to any other organisation or body.

On occasions names and telephone numbers, but never addresses, are given to other Secretaries seeking judges or individuals seeking reputable breeders, puppies or advise from experienced Bulldog owners. If you DO NOT wish your name and/or telephone number to be given for these purposes please let the Secretary know and your records will be marked accordingly.

Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Security at Shows

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows. The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers and exhibitors to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

Right to Refuse Entries

Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.

Prams, Pushchairs & Cages

With the safety and comfort of exhibitors and ringsiders in mind, we request that prams and pushchairs are not brought to shows. Parents are respectfully asked to be particularly responsible regarding the safety and behaviour of babies and young children.

PLEASE NOTE: Parents will be held responsible for the actions of children at all times whilst in the precincts of the show

Ramp

A ramp on which exhibits may be presented for examination will be available at the show. Use of the ramp is entirely at the discretion of the exhibitor. Exhibits will be judged by the same criteria whether or not the ramp is used.

Identification

New KC rules require that exhibit numbers must be displayed on all cages/crates. Each Exhibitor is responsible for putting identification on their own cages/crates. Original ring number cards as provided by the Society must NOT be used for this purpose.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm

Please take care of your dog

If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.
