OUR JUDGE - PAUL REYNOLDS

The London Bulldog Society is at last, after the postponements of the covid years, able to welcome Paul Reynolds to judge our 2025 Championship Show.

Paul has been a well known figure in the breed for over thirty years. Having got his first Bulldog in 1992 he quickly caught the show bug and encouraged by his late wife Pauline, he was soon at shows every weekend. The Reynolds also campaigned in Ireland where they made-up two Irish Champions.

As well as Bulldogs the kennel has successfully bred and shown Shar Peis, German Spitz, French Bulldogs and Irish Water Spaniels winning Reserve CCs in both Shar Peis and German Spitz.

An accomplished judge not only in Bulldogs, Paul is passed to award tickets in French Bulldogs, German Spitz and Shar Peis. He has judged extensively overseas and is proud to have judged Best in Show twice at Open Shows.

Paul is also an experienced steward and helps in this capacity at several cubs. A previous secretary of the Blackpool & Fylde Bulldog Club for some ten years and Paul is currently a committee member of the Junior Bulldog Club.

Paul writes that Bulldogs are his passion and "to be invited to judge a mother club is very humbling and very exciting. I am looking forward to it tremendously".

We hope that you will repay Paul's pleasure and anticipations with a splendid entry and an appreciative ringside.

Where the Best in Show is a puppy it may, at the discretion of the judge, be awarded Best Puppy in Show respectively. Where the Reserve Best in Show is a puppy which has only been beaten by an adult dog it may, at the discretion of the judge, be Best Puppy in Show respectively. Consequently, selection of Best Puppy in Show must follow the selection of Best in Show respectively. A Baby Puppy is a dog of four and less than six calendar months of age on the first day of the show. Baby Puppy classes may be scheduled at any breed club show. Any Variety Baby Puppy classes may be scheduled at any breed club show. Best Baby Puppy in Breed may be declared in each breed from the dogs entered in the Baby Puppy breed classes. - Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
- Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered
- No modifications will be made to the schedule except by permission of the Board of The Kennel Club, which will be followed by advertisement in the Canine press wherever possible.

Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices. Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Security at Shows

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows. The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

Right to Refuse Entries

Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.

Prams, Pushchairs & Cages

With the safety and comfort of exhibitors and ringsiders in mind, we request that prams and pushchairs are not brought to shows. Parents are respectfully asked to be particularly responsible regarding the safety and behaviour of babies and young children.

PLEASE NOTE: Parents will be held responsible for the actions of children at all times whilst in the precincts of the show

Ramp

A ramp on which exhibits may be presented for examination will be available at the show. Use of the ramp is entirely at the discretion of the exhibitor. Exhibits will be judged by the same criteria whether or not the ramp is used.

Identification

New KC rules require that exhibit numbers must be displayed on all cages/crates. Each Exhibitor is responsible for putting identification on their own cages/crates. Original ring number cards as provided by the Society must NOT be used for this purpose.

Data Protection Notice

The London Bulldog Society is required by the Kennel Club to keep a list of its members. Members details; names, addresses and telephone numbers, are **NOT** stored electronically and are only used for communication by the Society, for example, the sending out of Broadsheets, Show Schedules and any other notifications or publications emanating from the Society. They are not distributed nor disclosed to any other organisation or body.

On occasions names and telephone numbers, but never addresses, are given to other Secretaries seeking judges or individuals seeking reputable breeders, puppies or advise from experienced Bulldog owners. If you DO NOT wish your name and/or telephone number to be given for these purposes please let the Secretary know and your records will be marked accordingly.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm

Please take care of your dog

If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog
- When at the show, never leave your dog in the vehicle
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
