### **Dogs: Jeff Horswell (Drakesleat)**

Jeff has been going to dog shows from an early age. It all started when his mother (Ann Foxwell) having decided that a Great Dane was the ideal breed for a family pet, and they decided to go along to a local show. A 'show' Dane followed and the Auldmoor Great Dane kennel has gone on to produce a steady stream of Champions, both in the UK and around the world.

Jeff decided to have Miniature Wire Dachshunds as his own breed. 23 MWH Champions have been made up by him, including 3 Crufts BOB winners and 4 group winners. Jeff has always had an interest in many breeds, and has also made up a Greyhound Champion and 2 Field Spaniel Show Champions, along with winning Reserve CCs with a Basenji and Soft Coated Wheaten Terrier. He currently shares his home with a Champion Whippets.

Jeff first judged in 1982, and first awarded CCs in 1989, at the Scottish KC, to Wire & Miniature Wire Dachshunds. He judged Mini Wires at Crufts in 2000, his first Hound Group in 2000 and BIS in 2003. Jeff is approved to award CCs in over 150 breeds across all 7 UK groups, along with BIS and the 7 UK groups. He has judged the Hound Group at Crufts, and judged Best in Show at Crufts in 2017. Jeff has judged many parts of the world including Sweden, Finland, Denmark, Norway, Iceland, Russia, Australia, Estonia, Latvia, Spain, Portugal, Italy, Holland, Hungary, Croatia, Slovenia, Ireland, USA, Japan, Argentina, South Africa, Trinidad & Barbados.

He is a member of the KC Board and of its Judges Committee, and has been very involved in the KCs new judges training scheme.

### **Bitches: Malcolm James (Maromad)**

I have been involved in Boxers for over 30 years. My first was a bitch (Koppa) sired by CH Rupik Bellringer of Seefeld. Not the best of specimens, but she got me hooked and I haven't looked back since. There have been 2 Champions that have carried the Maromad affix, CH Maromad Patience of Marbelton and CH Maromad Kiss The Girls at Winuwuk. These two Champions were campaigned by two of the topmost kennels of their time. Today the Maromad affix is found in several pedigrees of Champions in this country and around the world thanks to Jordi, and Julie and Tim who campaigned him so successfully. When the pet passport was introduced, I was one of the first to venture onto the continent. I thoroughly enjoyed the experience and was quite successful winning CAC and CACIB's on a number of occasions.

From the beginning I have been a member of the South Wales Boxer Club. During this time, I have held all, of the officer positions. Currently I am Secretary for my sins. In addition, I have also held the position of Secretary of the Boxer Breed Council for several years. Last year I stepped down to take the position of Chairman, a less demanding role for my advancing years.

### **Referee: Derek Smith (Clickham)**

Derek started exhibiting in the 1960's and was very successful in Rough Collies and later, with Wendy Barrow, Long-Haired Dachshunds.

He first awarded CCs in 1970 and now judges many breeds across four groups and was honoured to judge Best in Show at Crufts in 2016.

Derek has awarded CCs in Boxers on fifteen occasions including Crufts in 2018.

Where the Reserve Best in Show is a puppy which has only been beaten by an adult dog it should also automatically be Best Puppy in Show. ## REGULATIONS FOR THE PREPARATION OF DOGS FOR EXHIBITION F(B)3

- 1 These regulations must be observed when a dog is prepared for exhibition and/or exhibited at any Kennel Club Licensed event. Objections may be referred to the Board for disciplinary action under these Show Regulations and/or disciplinary action under Kennel Club Rule A11.  
(a) a dog found to have been exhibited in breach of these Regulations will automatically be disqualified from exhibition at the show and from any award gained thereat.  
(b) Unless the exhibitor provides a satisfactory explanation for the dog being exhibited in breach of these Regulations then he/she may be subject to further penalties of either a fine or as listed under Rule A11.
- 2 (a) No substance which alters the natural colour, texture or body of the coat may be present in the dog's coat for any purpose at any time during the show. No substance which alters the natural colour of any external part of the dog may be present on the dog for any purpose at any time during the show.  
(b) Any other substance (other than water) which may be used in the preparation of a dog for exhibition must not be allowed to remain in the coat at the time of exhibition.
- 3 No act or operation which alters the natural conformation of a dog or any part thereof may be performed except:  
(a) Operations certified to the satisfaction of the Board.  
(b) The removal of dew claws of any breed.  
(c) Operations to prevent breeding provided that such operations are notified to the Kennel Club before neutered dogs are shown.  
Nor must anything be done calculated in the opinion of the Board to deceive.
- 4 The Board without previous notice may order an examination of any dog or dogs at any show. Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Kennel Club in their possession. Samples may be taken for further examination and analysis.
- 5 An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may however, be lodged by an official of the show or any anyone so deputed by the Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate) to substantiate the grounds for the objection. The Kennel Club will substantiate the grounds for an objection made on its behalf.
- 6 Any objection by an individual related to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the Show & the individual must produce evidence of identity at the time of lodging the complaint.

### Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices. Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to PowerPoints so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

### Security at Shows

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

## DOGS IN VEHICLES ON HOT DAYS Show Schedule Notice

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

**WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.

Right to Refuse Entries: Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.
