ABOUT OUR JUDGE

I am one half of the MUZOKU kennel with my partner Tate. Located in Somerset where we share our home with Alaskan Malamute's and Finnish Lapphund's. We shared our lives previously with our Rottweiler Regan who had a big impact on our family He was a very gentle soul and he gave so much to us all. Our three kids adored him and we had no intention of trying to replace him. However, our home seemed empty and our search began for another breed as there could never be another Regan. We decided on the Alaskan Malamute and decided we would have a go at showing as they are such a magnificent breed. Well, since our first outing, back in 2010, time has flown by with our tribe increasing and more recently including a second breed, the Finnish Lapphund.

We have now owned over a dozen dogs that have achieved their SBN with the most recent show team youngsters, Toyah, a 22 month Alaskan Malamute receiving her first and hopefully not last CC at Manchester and Manu a 2 year old Finnish Lapphund gaining his 5th RCC at Crufts this year.

Compared to many, we are reasonably new to the dog show world but that does not mean we are any less enthusiastic about this hobby which brings so much pleasure to exhibitors of all ages. After completing all of the Kennel club required seminars and judging at various local ringcraft training nights In 2015 I decided to take the next step and accept my first official KC licenced judging appointment. Since then I have continued to increase my repertoire of knowledge across the Working, Pastoral and Utility group breeds, as seminars and training days have become available.

As its time to help others and put something back into the hobby that has become such a major part of my life I now find myself on both of my own breed club committees and more recently been invited and added to the Bournemouth Canine Club Committee where I'm looking forward to hopefully seeing you all again this August.

Lastly, let's not forget that our dogs are our family and although the above is referring to the dog show world, we equally enjoy working our tribe on long distance treks, backpacking along the coast paths or just wandering around the local country park and partaking in an ice cream before home.

Ed Forsey - Muzoku - Alaskan Malamutes and Finnish Lapphunds

 - (b) Any other substance (other than water) which may be used in the preparation of a dog for exhibition must not be allowed to remain in the coat at the time of exhibition.
- 3 No act or operation which alters the natural conformation of a dog or any part thereof may be performed except:-
 - (a) Operations certified to the satisfaction of the General Committee.
 - (b) The removal of dew claws of any breed.
 - (c) Operations to prevent breeding provided that such operations are notified to the Kennel Club before neutered dogs are shown.Nor must anything be done calculated in the opinion of the General Committee to deceive.

Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Kennel Club in their possession. Samples may be taken for further examination and analysis.
- 5 An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. This also applies to any coat preparation or shampoo or similar on sale at the Show. The attention of exhibitors is directed to the Declaration they are required to sign on the entry form.

Right to Refuse Entries:

Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of your dog. If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused

Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices. Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Security at Shows

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows. The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.
