DEFINITIONS OF CLASSES

In the following definitions, a Challenge Certificate includes any Show award that counts towards the title of Champion under the Rules of any governing body recognised by the Royal Kennel Club.
Wins at Championship Shows in breed classes where Challenge Certificates are not on offer shall be counted as wins at Open Shows.

In the case of a dog owned in partnership and entered in Members' classes or competing for Members' Specials each partner must at the time of entry be a member of the Society.

In estimating the number of awards won, all wins up to and including the seventh day before the first date of closing shall be counted when entering for any class i.e. **6th November 2026**.

Wins in Variety classes do not count for entry in Breed classes but when entering in Variety classes, wins in both Breed and Variety classes must be counted. First prizes awarded in any classes defined as Special do not count towards eligibility.

If an exhibitor reports before the judging of a class or classes that a dog has been entered which is ineligible, the exhibitor may choose one of the following options:

(1) Withdrawal

The dog may be withdrawn from competition subject to the conditions of Regulation F(1)19.

(2) Transfer

- If a dog is ineligible for a class or classes as regards its colour, sex, weight or height the Show Secretary shall transfer it to the equivalent class or classes for the correct colour, sex, weight or height and, in the event of there being no equivalent class, Minor Puppy and Puppy excepted to the Open class for the correct colour, sex, weight or height.
- For an exhibit entered incorrectly in a Minor Puppy class or Puppy class, which is over age but under twelve calendar months of age or eighteen calendar months of age respectively, the Show Secretary shall transfer the exhibit to the Puppy class or the Junior class respectively for the correct colour, sex, weight or height and in the event of there being no Puppy or Junior class to the Open class for the correct colour, sex, weight or height.
- For any reason other than the above, the Show Secretary shall transfer it to the Open class for the correct colour, sex, weight or height.
- If an exhibit arrives late and misses a class, even if it is the only class in which the dog is entered, the dog may not be transferred to any other class.

NFC Societies may at their discretion, accept Not for Competition entries. Societies may accept such entries from breeds of dog not included within the title of the Society and at Shows held over more than one day, such entries may be accepted on any day from any breed.

USE OF ELECTRICAL EQUIPMENT AT SHOWS

The Royal Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices. Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used. The Royal Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

SECURITY AT SHOWS

In light of recent events the Royal Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows. The Royal Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows. The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

DISCLAIMER

The Committee of the Show can accept no responsibility for products advertised or sold by stand holders at the Show and remind exhibitors that grooming products on sale may not meet the requirements of the Regulations for the Preparation of Dogs for Exhibition.

WARNING NOTICE

All persons attending the Dog Show must compensate and/or indemnify the organisers for any loss or damage to any property or buildings within the showground caused with or without negligence by any person under the age of 18 years who is brought by them to the Dog Show, or for whom they are responsible.

THE GREAT DANE BREED COUNCIL

It has been brought to the Council's attention that the temperament in Great Danes is deteriorating. Therefore this notification will be in Schedules and Catalogues. It is intended as a guide to both Judges and Exhibitors.

KC RULE 15 EXCLUSION OF DOGS

If in the opinion of the Show Secretary, Show Manager or Judge any dog is considered not in a fit state for exhibition owing to disease, savage disposition, or any other cause, the dog may be excluded or removed from the Show on the instruction of the Show management. Once excluded or removed from the Show the dog must not be brought into the Show at any time under any circumstances and the case must be reported in full to the Royal Kennel Club within 7 days.

Judges may send the dog out if the dog appears to have an aggressive disposition.

Extract from Royal Kennel Club Regulations F(1) Reproduced with their permission.

Issued by and on behalf of The Great Dane Breed Council.

VICIOUS DOGS

Are not eligible and must not be brought to the Show. Exhibitors are held responsible for any damage done by their dogs during the Exhibition.

ABOUT OUR JUDGE

Tracey Coyle - Cheran Great Danes (Australia)

I began my conformation show career in 1988 with Great Danes and they have remained my primary passion ever since. Over the years I have also enjoyed involvement with Poodles, Boston Terriers, Chinese Cresteds and Chihuahuas.

My prefix Cheran proudly holds the Australian breed record for the highest number of Best in Show awards - an achievement that reflects decades of dedication to quality breeding, sound structure, and true Great Dane type.

The Great Dane, to me, is one of the world's most magnificent breeds. When strength, elegance, carriage, arrogance, and gentleness are united with correct structure and sound movement, the result is a dog that commands admiration from any observer. My lifelong commitment is to preserve and reward these qualities in the ring.

I commenced my judging career in 2014 and now hold ANKC Championship licences for the Toy Group, Utility Group, and Non-Sporting Group. I am also an approved FCI Judge (AU856). I am passionate about mentoring emerging judges and have delivered my Breed Lecture to trainee judges throughout Australia.

I have judged extensively across Australia and New Zealand and remain deeply honoured each time I am invited to officiate. My involvement with Great Danes has taken me around the world to observe, show and judge. I have attended three USA Great Dane National Specialties, two World Dog Shows (Milan and Amsterdam), and numerous All Breeds and Specialty events internationally.

I currently serve as Treasurer of The Great Dane Club of Victoria, a position I have held for many years following previous roles including Secretary, Vice President, and General Committee member.

My passion for Great Danes and for judging continues to inspire me, and I look forward to further opportunities to evaluate dogs and connect with breeders and exhibitors across the globe. I am so looking forward to Judging for you at the Midland & West of England Great Dane Club.

Tracey Coyle

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and at risk during hot weather and the Royal Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at Royal Kennel Club licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Anyone whose dog is entered at a Royal Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise.

Breach of Royal Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Royal Kennel Club Rules and Regulations.

Right to Refuse Entries: Exhibitors/Competitors are reminded that show societies have the right under Royal Kennel Club Regulation to refuse any entry.

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of your dog.

If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused
