

### Useful Information for Exhibitors

In planning this show during what has been a very trying and painful period, perhaps the worst set of circumstances that anyone of us has been subjected to ever. Consideration for the Health and Safety of all who take part in the show has and will be the most significant aspect. The Officers and Committee are looking forward to being able to welcome you to our show where the usual greetings will be given. The aim will be to keep everyone as safe as possible; we ask that those attending please help by following all Directions, Instructions and requests being made of them.

Please display your CAR PARK pass in a prominent place in your vehicle windscreen to aid the Steward to easily see it and therefore direct you to the right place. Do not forget to place your Vehicle Number Registration in the place provided.

There will be a "One Way" system of operation for travelling around the Showground, please always follow the signs. Stewards will be on hand to direct vehicles into the Car Parks, please follow their instructions. Do not Park in any areas other than those designated for Exhibitors.

The Kennel Club have given permission not to have Benching this year, this is the result of being unable to secure the provision of sufficient Marquees of suitable size. As a direct result of this the Society will make provision of sufficient space (designated and signed) within the showground for Gazebos, Tents and Umbrellas (which must be secured into the ground). The Maximum space allowed will be 3 metres by 3 metres, everything must fit into this space including guy ropes etc. Anything larger will meet with a request to remove them or they will be removed by the Security Team. All such Gazebos, Tents or Umbrellas must be erected safe and securely and be removed at the close of each day. At no time will such Gazebos, Tents or Umbrellas be allowed around the Ring side. Exhibitors will be solely responsible for any injury or damage that may arise from such item. You should also have some form of 3rd party insurance which covers your Gazebo, Tent or Umbrella during your stay on site.

Similarly, Areas for Grooming of exhibits will be provided, please use them, there will be no obstructions allowed around the Rings (No Grooming at the Ringside).

It is requested that those visiting the show (including exhibitors) bring with themselves their own chairs along with personal Sanitizer. Cold Water will be available throughout the show for the purpose of washing hands and drinking, unfortunately there will not be Hot Water available. Hand Sanitizer Stations will be located around the Showground.

We ask that everyone adheres to the Government Directives at that time particularly SANITIZE - SPACE - MASK or VISOR unless for medical reasons. However, Mask/Visor would be particularly requested in the Ring whilst being seen by the Judge or in the proximity of other persons (Current direction).

As is usual all Rings will have an element of Inside/Outside areas however each Ring will be separated by a Gangway in between them. These Gangways are specifically a safety device and must not be obstructed at all times, they are not for the use of spectators.

Within each Ring the Grooming Table used by the Judge to examine the Exhibit (if required) together with the Ramp (if required) will be sanitized after each exhibit. A supply of Sanitizer will also be available in each Ring, for the use of the Judge, Stewards, and exhibitors.

To comply with "Track & Trace" all entry forms must include an Email address or valid Telephone number.

The handling of Prize Cards; Judges Books and usual paperwork relevant to show administration will be minimised as much as possible.

To avoid placing undue pressure upon our Judges the decision has been taken for this year only not to hold both the Puppy Groups & Best Puppy in Show along with Best Veteran Groups and Best Veteran in Show, we have only scheduled those Stakes classes which have a National Final competition, that is Champion Stakes; Puppy Stakes; Breeders Competition and YKC Handling Classes. We will revert to normal in 2022.

Exhibitors should not attend if they have any symptoms of Covid19. Exhibitors who fall into a category regarded as "Vulnerable" attend the show at their own risk. Any updates will be placed upon the Society Web Site as soon as is practicable at [www.driffieldshow.com](http://www.driffieldshow.com) / [www.highampress.co.uk](http://www.highampress.co.uk)

  - (a) a dog found to have been exhibited in breach of these Regulations will automatically be disqualified from exhibition at the show and from any award gained thereat.
  - (b) Unless the exhibitor provides a satisfactory explanation for the dog being exhibited in breach of these Regulations then he/she may be subject to further penalties of either a fine or as listed under Rule A42.
- 2
  - (a) No substance which alters the natural colour, texture or body of the coat may be present in the dog's coat for any purpose at any time during the show. No substance which alters the natural colour of any external part of the dog may be present on the dog for any purpose at any time during the show.
  - (b) Any other substance (other than water) which may be used in the preparation of a dog for exhibition must not be allowed to remain in the coat at the time of exhibition.
- 3 No act or operation which alters the natural conformation of a dog or any part thereof may be performed except:-
  - (a) Operations certified to the satisfaction of the General Committee.
  - (b) The removal of dew claws of any breed.
  - (c) Operations to prevent breeding provided that such operations are notified to the Kennel Club before neutered dogs are shown.Nor must anything be done calculated in the opinion of the General Committee to deceive.
- 4 The General Committee without previous notice may order an examination of any dog or dogs at any show. Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the K.C. in their possession. Samples may be taken for further examination and analysis.
- 5 An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may however, be lodged by an official of the show or any anyone so deputed by the Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate) to substantiate the grounds for the objection. The Kennel Club will substantiate the grounds for an objection made on its behalf.
- 6 Any objection by an individual related to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the Show & the individual must produce evidence of identity at the time of lodging the complaint.

**The attention of exhibitors is drawn to the fact that any advertisement for a coat preparation or shampoo or similar either in the Schedule or Catalogue does not imply that the use of such a preparation may not contravene Kennel Club Regulations for the Preparation of dogs for Exhibition F. This also applies to any coat preparation or shampoo or similar on sale at the Show. The attention of exhibitors is directed to the Declaration they are required to sign on the entry form.**

Right to Refuse Entries: Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.

## Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The KC has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

## Security at shows

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

## Judging at Partnership Shows

Due to the current increase in partnership shows being held, The Kennel Club would like to clarify its position with regard to judging at such events.

Partnership shows are those which are held where a host society and another club share a venue and facilities in order to allow exhibitors the opportunity to exhibit at two events during the duration of the host society's show. In most cases, the host society's event will be a general championship show held over a number of days. At partnership shows judges must not officiate at one show and enter or handle a dog for exhibition at the other show including exhibiting a different breed on another day to that which they are to judge.

Partnership shows are defined as shows where the host club and other clubs share a venue and other facilities to allow exhibitors the opportunity to exhibit at each show.

## DOGS IN VEHICLES ON HOT DAYS

**Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm  
Please take care of your dog  
If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused**

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

**WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.
