Covid-19 Regulations

This show will be held in line with government and Kennel Club Covid-19 guidelines in place at the time of the show. The designated Covid-19 Safety Officer is Rebecca Barber. By entering the show you are agreeing to abide by the Covid-19 risk assessment which is outlined on the club's website and will be displayed at the event.

- As the car parking is tight there will be parking marshals parking you sensibly and people are asked to wear a face covering when getting themselves and their exhibits in and out of their vehicles, in accordance with government guidelines at the time of the show
- To minimize volume of people at the venue at any one time the show start times will be staggered and there are "not before" times in the schedules

SPECTATOR DOGS

Under the Spectator Dog rule, owners will be asked to complete an entry form at the show. All details of the dog and a declaration the dog is healthy will be signed for. Owners will be requested to keep their dogs under strict control at all times. The NEDC reserve the right to refuse entry of any dog if it appears unhealthy or badly controlled. A charge will be payable on the day for each dog. Dogs entered as 'Spectator Dogs' will not be covered by the NEDC insurance and will not be allowed to take part in any competition at the show.

Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Security at Shows

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows. The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

Where the Best in Show is a puppy it should automatically be awarded Best Puppy in Show respectively. Where the Reserve Best in Show is a puppy which has only been beaten by an adult dog it should also automatically be Best Puppy in Show respectively. 13. Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not touch the ground when on the move. This is not acceptable. ABOUT OUR JUDGE: Sue Thorn (Grafmax)

My interest in Dobes dates back to the 1990s when my late husband and I decided to get a dog. He wanted a Dobermann and I wanted a Whippet - and the rest is history.

My first Dobermann, Max, was not the largest, but was beautifully balanced with lovely flowing movement and my trainer (Ann Nash, who used to breed Dobes herself) thought he should be shown, something I had never considered. Well, we did mostly CDS Shows and a few Open Shows, but he was consistently winning BIS at CDS shows and was always placed at Open Shows (in the days of much higher entries) and so of course I was bitten by the bug!

I have been breeding Dobes for 10 years. My first litter produced BE, NL CH Grafmax Louis Armstrong ShCM RL3Ex (Int, Lux Ch Aritaur Histabraq ShH3 ex Cosajoro Nina Simone at Grafmax), who picked up the CC at Crufts 2013 under Stuart Mallard and went on to BOB out of almost 200 Dobes and then to be shortlisted in the Group. Satchmo is also the first Dobermann to reach level 3 at Rally obedience.

I also bred Ringo, CH Grafmax Roberto Alagna JW (CH Chancepixies Locomotive ex Iain and Ali Godfrey's Grafmax Ninette de Valois), who gained his title at 19 months and now has 5 CCs and 2 RCCs. I own CH Taevas Black Velvet at Grafmax JW ShCM, who has 3 CCs and 2 RCCs. Her first litter (by Ringo) will be in the ring during 2020.

I am a Committee Member and Membership Secretary for Welsh Dobermann Club and have also been Breed Health Co-ordinator since 2013

The Kennel Club will respect the society's exercise of its discretion.

If a competitor, or anyone in their household, has Covid-19 related symptoms or has tested positive for Covid-19 they must isolate in line with Government advice; www.nhs.uk/conditions/coronavirus-covid-19/self-isolation-and-treatment/when-to-self-isolate-and-what-to-do/

Owners will be requested to keep their dogs under strict control at all times. The NEDC reserve the right to refuse entry of any dog if it appears unhealthy or badly controlled. A charge will be payable on the day for each dog. Dogs entered as 'Spectator Dogs' will not be covered by the NEDC insurance and will not be allowed to take part in any competition at the show.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise.

Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.

Right to Refuse Entries: Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of your dog.

If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused

SOFT CRATES

The Kennel Club highlights the potential health and safety implications concerning the use of soft crates at dog shows as in its view, not all designs offer sufficient protection to dogs.

They have asked that we point out that dogs should not be left unattended in soft crates.

There have been instances where dogs have escaped from soft crates which have not been securely fastened to benches, or that have been left at ringside. We therefore ask that if you use soft crates, you DO NOT leave dogs unattended, either in the hall or in an open car in the car park.
