26. All children must be kept under control and parents will be held responsible for any damage caused and charges incurred.
27. No animal other than an exhibit duly entered at the show will be allowed within the precincts of the show during its continuance.
28. The owner, exhibitor, handler or other person in charge of a dog at a Royal Kennel Club licensed event must at all times ensure that the dog is kept under proper control whilst at the licensed venue, including its environs, car and caravan parks and approaches. This regulation applies before (at any time during the set up period at the venue), during the event and afterwards (at any time during the breakdown of the event).
29. A dog may be disqualified by the Board from any award, whether an objection has been lodged or not, if proved amongst other things to have been a) registered or recorded as having been bred by the scheduled judge, this shall not apply to a judge appointed in an emergency; b) exhibited without payment of the appropriate entry fees.
30. Every exhibitor shall ensure that whilst the dog is being exhibited, its handler shall display the correct ring number.
31. No dogs are allowed in the kitchen or the toilets.
32. Any preparation of dogs, which is necessary, must take place in the appointed area.
33. The Committee of the Norwich Terrier Club shall not be responsible for exhibitors missing their classes.

## **Use of Electrical Equipment at Shows**

The Royal Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices. Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used. The Royal Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

## **Security at Shows**

In light of recent events the Royal Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows. The Royal Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert. Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

The attention of exhibitors is drawn to the fact that any advertisement for a coat preparation or shampoo or similar either in the Schedule or Catalogue does not imply that the use of such a preparation may not contravene Royal Kennel Club Regulations for the Preparation of dogs for Exhibition F. This also applies to any coat preparation or shampoo or similar on sale at the Show. The attention of exhibitors is directed to the Declaration they are required to sign on the entry form.

Parents are respectfully asked to be particularly responsible regarding the safety and behaviour of babies and young children.

PLEASE NOTE: Parents will be held responsible for the actions of children at all times whilst in the precincts of the show.

PLEASE NOTE: KC rule require that exhibitor numbers must be displayed on all cages/crates. Each exhibitor is responsible for putting identification on their own cages/crates. Original ring number cards as provided by the society must not be used for this purpose.

13. Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not touch the ground when on the move. This is not acceptable. Breach of Royal Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Royal Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Royal Kennel Club. This shall apply at the venue or within the precincts of the show.
18. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Royal Kennel Club registered.
19. No modifications will be made to the schedule except by permission of the Board of the Royal Kennel Club, which will be followed by advertisement in the Canine press wherever possible.
20. An exhibitor or competitor should ensure that contact details for any handler are available and must be provided upon request in any investigation of a breach of this regulation by such handler.
21. Should any judge be prevented from fulfilling their engagement, the Committee reserves to themselves the right of appointing other judges to fulfil their duties. Exhibitors are at liberty to withdraw from competition but no entry fees can be refunded.
22. Any owner, competitor or other person in charge of a dog is required to remove as soon as possible any fouling caused by their dog(s) at any Royal Kennel Club licensed venue and within the environs of that event including car and caravan parks and approaches. Adequate receptacles for the disposal of such fouling will be provided.
23. The Committee will do its utmost to ensure the safety of the dogs brought for exhibition but it must be clearly understood by exhibitors and all other persons at the Show that the Committee will not be responsible for the loss or damage to any dogs or property, or personal injury whether arising from accident or any other cause whatsoever.
24. If in the opinion of the Show Secretary, Show Manager or Judge any dog is considered not in a fit state for exhibition owing to a disease, savage disposition, or any other cause, the dog may be excluded or removed from the show the dog must not be brought into the Show at any time under any circumstances, and if such exclusion takes place, either before or after judging, the entry fee will be forfeited.

**SPECIAL AWARD CLASSES** In numerically small breeds such as ours, it is not easy for judges to gain the hands on experience they require to progress up the judging lists. For this reason, the Royal Kennel Club have authorised the scheduling of three Special award Classes at this show.

In essence, these are "mock" classes to allow a judge from the Clubs Levels 1 & 2 Judges List the opportunity to gain more hands on experience of our breed. These classes will be judged at the beginning of the Show along with the junior handling classes.

They are totally separate from the main show, and do not affect any results in the main show. A dog beaten in these classes is NOT considered a beaten dog for the purpose of the challenge for best dog or bitch. There is no entry fee for these classes.

There is a £5.00 prize for First Place in each class. Rosettes will be on offer for 1st place to VHC.

Any dogs entered in these classes MUST be entered in a class in the main show. It is important for the Club to support any initiatives which assist in the development of good judges, so PLEASE SUPPORT THESE CLASSES.

### DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and at risk during hot weather and the Royal Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog
- When at the show, never leave your dog in the vehicle
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

### **WARNING IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED**

**Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm - please take care of your dog**

**If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused**

Anyone whose dog is entered at a Royal Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Royal Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Royal Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Royal Kennel Club. This shall apply at the venue or within the precincts of the show.

## ABOUT OUR JUDGES

### Mr Barry Day (Risepark)

Although Barry's main breed is Miniature Schnauzers, he has always had a special interest in Terriers, and none more so than the Norwich. In 1994, Jaeva Moon Rocket, who went on to gain his title, came from Martin Phillips, and spent the rest of his life with us.

A long association with the N.T.C. started in 2003 with election to the NTC committee, subsequently serving as Chairman (twice) and President. Barry currently serves the club as a Vice President.

An international judge, who has judged on every Continent. He judged at the Hatboro; Dog Show in 2025, drawing an entry of 70 Norwich Terriers, 30 of which were champions. Barry awards CC's in the Terrier, Utility, Hound, Toy & working Groups, and is approved for the Terrier and Utility Groups & BIS.

He has previously awarded CC's in Norwich Terriers 8 times, with the first in 2004. He judged this club's Championship Show in 2008 and is deeply honoured to be invited again.

### Mr David Tinsley (Morzi)

Having been brought up on a working farm with a mixture of dogs, including German Shepherd Dogs, working Spaniels, Labradors and a mixture of Terriers. I decided when I moved from the farm to a small village house that a smaller dog was for me. From helping out a breeder of Norwich and Norfolk Terriers, I found them quite endearing so asked if I would be able to buy one. Luckily some time later I was offered a Norwich Bitch. This was some 10 years plus ago now.

When I joined the Norwich Terrier Club I was encouraged to enter the Breed club show and have been showing them since.
