The Kennel Club will substantiate the grounds for an objection made on its behalf.
- 6 Any objection by an individual related to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the Show & the individual must produce evidence of identity at the time of lodging the complaint.

Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices. Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Security at Shows

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows. The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert. Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

MEET OUR JUDGE

Jesper Ravn Bubbleton Pulis

My name is Jesper Ravn, I am 52 years old, living approx. 45 min. drive from Copenhagen, Denmark. Together with my partner Klaus we have Bubbleton Pulis and have been involved with this breed since 1990. We have only bred 15 litters and have been blessed with the real old timers in the breed generously being our mentors, people who have been breeding quality Pulis for 40 or 50 years and who are prepared to share their knowledge for the betterment of the breed.

I began my education towards becoming an FCI judge 17 years ago, my first two breeds I qualified to judge on International FCI level, were the Old English Sheepdog and the Tibetan Terrier. My very first dog was an OES and he was my introduction into the world of showing and breeding, so it felt only natural to start with this breed. The TT became the next as the Danish TT Club asked me, I was honoured and a love affair with this breed began.

To date I have qualified to judge 17 breeds on FCI International level. Judging dogs is too important to me and I have absolutely no desire to become an All-Breeds judge and will only judge breeds I seriously care for. This does mean less appointments as I cannot work on each day of a 2 or 3 day show.

I did my training to become a Pumi and Puli judge in Sweden as there are literally no Pumis living in Denmark. The Swedish breed club for Hungarian Sheepdogs were great to work with, I will be forever grateful... It is over 10 years now since I received my licence to judge Pumis, Pulis and Mudis and I have been blessed with judging assignments from breed clubs in Finland, Sweden and the USA and have also on International FCI level at the Nordic Winners Show.

A few years ago, I was immensely proud and honoured to be invited to judge the Hungarian Pumi National Specialty by the Pumi Club of America. An incredibly special day! I have now judged over 250 Pumi. I am thrilled to bits and so very honoured to have been invited to judge the very first Hungarian Pumi Club Show in the UK, the breed appears to be going from strength to strength in the UK and I am so looking forward to meeting you all and your wonderful Pumis.
