INTRODUCING THE JUDGE

Mrs Marion Finney

I feel very privileged to be invited by the Northern Saluki Club, this will be my third time awarding Challenge Certificates in Salukis.

I am very much a Sighthound person and for the past 45 years have shared my life with Irish Wolfhounds. I have always had a great interest in all Sighthound breeds and Salukis have always had a fascination for me and their amazing history.

I have been lucky to have met a number of well-known Saluki breeders & have listened to their views and opinions on the breed. I have visited the US to watch a major Saluki speciality and was very impressed by the overall quality of the hounds and so well presented and very much fit for function.

Judging Salukis I always look for a well-constructed, dog that can cover the ground with easy athletic strides, a dog that could hunt all day over any terrain presented to them - a hound with good stamina, yet elegant and very agile.

I was first approved by the Irish Kennel Club to award Green Stars in Salukis in 1992. Since then, I have judged Salukis in Austria, Czech, Germany, Hungary, Norway, Slovenia, Sweden, Poland and the US.

I am under IKC/FCI approved to judge all breeds in Groups 3,4,5,6,9 & 10 & Best in Show. The Royal Kennel Club have me approved to award CCs in Irish Wolfhounds, Whippets, Salukis and Yorkshire Terriers.

DON'T FORGET TO ENTER OUR MORNING CHAMPIONSHIP SHOW

(discounts available for entering both shows)

Use of Electrical Equipment at Shows

The Royal Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices. Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Royal Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Security at Shows

In light of recent events the Royal Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows. The Royal Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore, the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

Welfare of Dogs

Anyone whose dog is entered at a Royal Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Royal Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Royal Kennel Club Rules and Regulations.

Breach of Royal Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Royal Kennel Club Rules and Regulations.

Right to Refuse Entries Exhibitors/Competitors are reminded that show societies have the right under Royal Kennel Club Regulation to refuse any entry.

The Committee does not accept responsibility for the content of advertisements or products advertised. We wish to remind exhibitors that grooming products on sale may not meet the requirements of Regulations for the preparation of dogs for exhibition. place.

Dog Fouling and Grooming Waste

Any owner, exhibitor, handler or other person in charge of a dog is required to remove immediately any fouling caused by their dog(s) and/or any grooming waste at any Royal Kennel Club licenced show within the licenced venue and within the environs of that event, including car and caravan parks and approaches.

The chalking, powdering or spraying (with the exception of water) of exhibits within the precincts of the show is forbidden.

REGULATIONS FOR THE PREPARATION OF DOGS FOR EXHIBITION F(B)

1. These Regulations must be observed when a dog is prepared for exhibition and/or exhibited at any Royal Kennel Club Licensed event. Objections may be referred to the Board for disciplinary action under these Show Regulations and/or for disciplinary action under Royal Kennel Club Rule A11.
 - a) A dog found to have been exhibited in breach of these Regulations will automatically be disqualified from exhibition at the show and from any award gained thereat.
 - b) Unless the exhibitor provides a satisfactory explanation for the dog being exhibited in breach of these Regulations then he/she may be subject to further penalties of either a fine or as listed under Rule A11.

4. The Board without previous notice may order an examination of any dog or dogs at any Show. Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Royal Kennel Club in their possession. Samples may be taken for further examination and analysis.
5. An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may, however, be lodged by an official of the Show or by anyone so deputed by the Royal Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate) to substantiate the grounds for the objection. The Royal Kennel Club will substantiate the grounds for an objection made on its behalf.
6. Any objection by an individual related to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the Show and the individual must produce evidence of identity at the time of lodging the complaint.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and at risk during hot weather and the Royal Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Anyone whose dog is entered at a Royal Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise.

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm

Please take care of your dog
