DEFINITIONS OF CLASSES

In the following definitions, a Challenge Certificate includes any Show award that counts towards the title of Champion under the Rules of any governing body recognised by the Royal Kennel Club.

Wins at Championship shows in breed classes where Challenge Certificates are not on offer shall be counted as wins at Open Shows.

In the case of a dog owned in partnership and entered in Members' classes or competing for Members' Specials each partner must at the time of entry be a member of the Society.

In estimating the number of awards won, all wins up to and including the seventh day before the first closing date shall be counted when entering for any class i.e. **30th January 2026**.

Wins in Variety classes do not count for entry in Breed classes but when entering in Variety classes, wins in both Breed and Variety classes must be counted. First prizes awarded in any classes defined as Special do not count towards eligibility.

If an exhibitor reports before the judging of a class or classes that a dog has been entered which is ineligible, the exhibitor may choose one of the following options:

(1) Withdrawal

The dog may be withdrawn from competition subject to the conditions of Regulation F(1)19.

(2) Transfer

a. If a dog is ineligible for a class or classes as regards it's breed, colour, sex, weight or height the Show Secretary shall transfer it to the equivalent class or classes for the correct breed, colour, sex, weight or height and, in the event of their being no equivalent class, Minor Puppy and Puppy excepted to the Open class for the correct breed, colour, sex, weight or height.

b. For an exhibit entered incorrectly in a Minor Puppy Class, Puppy class or Junior Class, which is over age but under twelve calendar months of age, eighteen calendar months of age or twenty four calendar months of age respectively, the Show Secretary shall transfer the exhibit to the Puppy Class, Junior Class or Yearling Class respectively for the correct breed, colour, sex, weight or height and in the event of their being no Puppy, Junior or Yearling Class to the Open class for the correct breed, colour, sex, weight or height.

c. For any reason other than the above, the Show Secretary shall transfer it to the Open class for the correct breed, colour, sex, weight or height.

d. If an exhibit arrives late and misses a class, even if it is the only class in which the dog is entered, the dog may not be transferred to any other class.

PUPPY For dogs of six and not exceeding twelve calendar months of age on the first day of the Show.

JUNIOR For dogs of six and not exceeding eighteen calendar months of age on the first day of the Show.

Health and Welfare Statement

The desired maximum weight of a Miniature Dachshund is 11 lbs. The committee wishes to make it clear to exhibitors that the health and welfare of all dogs entered at any of our events is of the highest importance.

The Animal Welfare Act became law in England on 6 April 2008. The focus is now on the responsibility of the owner, as seen in the 'Duty of Care'. Those who own a dog are legally responsible for its welfare, otherwise they may be found to be committing a 'Welfare Offence'.

The Committee will take action against any exhibitors who are found to be depriving their dogs of water and/or food in order to meet the desired maximum weight requirement for Miniatures in the Breed Standard.

Exhibits which appear thin and undernourished should be seriously penalised by the judge.

Use of Electrical Equipment at Shows

The Royal Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Royal Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Security at shows

In light of recent events the Royal Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows. The Royal Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert. Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

Welfare of Dogs

Anyone whose dog is entered at a Royal Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Royal Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Royal Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Royal Kennel Club. This shall apply at the venue or within the precincts of the show.

THE ATTENTION OF ALL EXHIBITORS IS DRAWN TO THE ROYAL KENNEL CLUB REGULATION RE: FOULING WHICH READS

Any owner or other person in charge of a dog is required to remove as soon as possible any fouling caused by their dog(s) at any Royal Kennel Club Licensed Show within the environs of that event including Car & Caravan Parks and approaches. You are asked to take special care of the venue car park, approaches and exercise areas

REGULATIONS FOR THE PREPARATION OF DOGS FOR EXHIBITION F(B)

1. These Regulations must be observed when a dog is prepared for exhibition and/or exhibited at any Royal Kennel Club licensed event. Objections may be referred to the Board for disciplinary action under these Show Regulations and/or for disciplinary action under Royal Kennel Club Rule A11.
 - a) A dog found to have been exhibited in breach of these Regulations will automatically be disqualified from exhibition at the show and from any award gained thereat.
 - b) Unless the exhibitor provides a satisfactory explanation for the dog being exhibited in breach of these Regulations then he/she may be subject to further penalties of either a fine or as listed under Rule A11.
2.
 - a) No substance which alters the natural colour, texture or body of the coat may be present in the dog's coat for any purpose at any time during the Show.  - b) Any other substance (other than water) which may be used in the preparation of a dog for exhibition must not be allowed to remain in the coat or on any other part of the dog at the time of exhibition.

 - (a) Operations certified to the satisfaction of the Board.
 - (b) The removal of dew claws of any breed.
 - (c) Operations to prevent breeding provided that such operations are notified to the Royal Kennel Club before neutered dogs are shown.Nor must anything be done calculated in the opinion of the Board to deceive.
4. The Board without previous notice may order an examination of any dog or dogs at any Show. Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Royal Kennel Club in their possession. Samples may be taken for further examination and analysis.
5. An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may, however, be lodged by an official of the Show or by anyone so deputed by the Royal Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate) to substantiate the grounds for the objection. The Royal Kennel Club will substantiate the grounds for an objection made on its behalf.
6. Any objection by an individual related to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the Show and the individual must produce evidence of identity at the time of lodging the complaint.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and at risk during hot weather and the Royal Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

**WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE
MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**

Anyone whose dog is entered at a Royal Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise.

Breach of Royal Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Royal Kennel Club Rules and Regulations.

Right to Refuse Entries: Exhibitors/Competitors are reminded that show societies have the right under Royal Kennel Club Regulation to refuse any entry.

**Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures
and even on days considered as slightly warm**

Please take care of your dog

**If your dog is found to be at risk forcible entry to your vehicle may be
necessary without liability for any damage caused**
