USE OF ELECTRICAL EQUIPMENT AT SHOWS

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices. Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

SECURITY AT SHOWS

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows. The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

IMPORTANT INFORMATION REGARDING BENCHING & IDENTIFICATION OF DOGS

It is now a Kennel Club requirement that exhibitors display the exhibit/bench number on their crate, cage or container at all times. This is particularly important when cages etc. are not on benches, and at unbenched shows.

Each exhibitor is responsible for providing their own crate or cage identification and should note that the original exhibit/bench number card, as provided by the show society, must not be used for this purpose.

This requirement follows a recent meeting of the Show Executive Sub-Committee's Benching Working Party, where it was agreed that it is important to be able to contact exhibitors and identify dogs where a dog may be in distress or where the crate might be blocking a gangway. At benched shows soft crates may only be put on benches if they are the appropriate size for both the dog and the bench, and the crate can be securely attached to the bench.

Both of these points have been introduced with the safety of all in mind, but most importantly that of the dog, and to minimise potential incidents and injuries.

Where the Reserve Best in Show is a puppy which has only been beaten by an adult dog it may, at the discretion of the judge, be Best Puppy in Show. Consequently, selection of Best Puppy in Show must follow the selection of Best in Show. A Baby Puppy is a dog of four and less than six calendar months of age on the first day of the show. Baby Puppy classes may be scheduled at any breed club show. Any Variety Baby Puppy classes may be scheduled at any breed club show. Best Baby Puppy in Breed may be declared in each breed from the dogs entered in the Baby Puppy breed classes. There must be no progression to further competition.
11. Best in Show Best in Show must be selected from the exhibits declared Best of Sex. If a Reserve Best in Show is to be selected, the eligible dogs are those declared Best Opposite Sex and Reserve Best of Sex to the exhibit declared Best in Show.
12. Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not completed on time, and then only with the special permission of the Show Management.
13. Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not touch the ground when on the move. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog
- When at the show, never leave your dog in the vehicle
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

**Your dog is vulnerable and AT RISK if left in a
vehicle in high temperatures and even on days considered
as slightly warm**

Please take care of your dog

**If your dog is found to be at risk forcible entry to your vehicle may
be necessary without liability for any damage caused**

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise.

Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations.
